Request for Federal and State Income Tax Withholding

Department Retired From _____ Fire Dept. County (if applicable) _____

Retiree's Name _____ Retiree's SSN _____

Payee's Name (if Retiree is deceased) _____ Payee's SSN _____

Each retiree and widow is required to complete and return this form. Otherwise, taxes will be withheld based on married with three allowances. This includes Disability In Line Of Duty Pensions. An amount will not be calculated on a volunteer benefit by using the tax table. A retired volunteer must indicate a fixed amount if taxes are to be withheld.

Retirees must now pay state tax on retirement income which exceeds $5,500.00 per year. Therefore, if your pension amount is greater than $458.33 each month, you may wish to have state tax withheld. If the retiree or widow lives out of the State of Oklahoma, state tax is not withheld unless requested.

NOTE: Effective July 1, 1986, the IRS General Rule, or the safe harbor method which went into effect 11/15/88, may apply. Ask the IRS for Publication 575 or visit with your tax accountant.
