"As your Lt. Governor and Oklahoma's Small Business Advocate, it is my privilege to invite you to the 15th Annual Small Business Day at the Capitol on Wednesday, May 1, 2013.

Small Business Day at the Capitol is an excellent opportunity for small businesses, state agencies and chambers of commerce from across the state to celebrate small business in Oklahoma. It also provides us an opportunity to dialogue about improvements, build relationships and learn more about valuable resources that are available. We will provide briefings from elected officials and business leaders addressing the various topics currently affecting small business in Oklahoma.

Please join me as we celebrate the success of small business in Oklahoma and work to strengthen our state. Strong small businesses provide a healthy economy, a healthy economy creates opportunities for families and those families create a great Oklahoma. I am excited for this year's event and I hope to see you there." - Lt. Gov. Todd Lamb
