# 2014 Annual Report

The Honorable Mary Fallin, Governor of Oklahoma
The Honorable Brian Bingman, President Pro Tempore of the Senate
The Honorable Jeffrey Hickman, Speaker of the House
The Honorable Gary Jones, State Auditor and Inspector

Once again, I have been honored and humbled to serve the great state of Oklahoma. Over this past year, the employees of the Oklahoma Insurance Department have spent countless hours educating, assisting and protecting Oklahomans while also taking steps to ensure that the local insurance market stays strong. I am extremely proud of the work they've done and will continue to do.

In accordance with Oklahoma State Statute 36 § 307, it is my pleasure to present to you the Oklahoma Insurance Department's 2014 Annual Report. This report reflects the activities of the department and summarizes the financial disclosure and listing of companies operating in Oklahoma.

Should there be any questions about the content of this report, my staff and I are at your disposal.

Respectfully,

John D. Doak
Oklahoma Insurance Commissioner

The Oklahoma Insurance Department is accredited by the National Association of Insurance Commissioners (NAIC) until 2015.

To achieve this accreditation, the Department must meet stringent national standards that demonstrate financial solvency regulation of insurance companies.

The accreditation principles set by the NAIC allow the Department to better protect consumers and set and maintain the highest standards in financial regulation for Oklahoma's insurance industry.

Commissioner Doak and the staff of the Oklahoma Insurance Department view accreditation by the NAIC as an important part of our commitment to the citizens of Oklahoma.

Dear Citizens of Oklahoma,

Thank you once again for the distinct honor of allowing me to serve you as Insurance Commissioner in our great state. I am pleased to provide you the 2014 Oklahoma Insurance Department (OID) Annual Report. The report details the work of the OID in the past year and describes the functions of each division within the Department. 2014 marked the fourth year of my elected term and I am looking forward to another four years of serving you.

Our mission continues to be "Protecting Oklahomans." Accordingly, our efforts focus on enforcing insurance laws and regulations, assisting consumers with insurance-related issues and improving services to insurance agents and producers. My administration made considerable progress helping consumers recover from natural disasters the previous year and worked to improve the insurance industry. Looking forward, I will continue to focus on educating Oklahoma consumers about the insurance market and providing the necessary tools to fortify a healthy insurance environment across our state.

Highlights from 2014 include:

- Helping more than 27,000 consumers over the phone and collecting nearly $3.4 million for consumers.
- Co-hosting the 3rd Annual National Tornado Summit with a record attendance of nearly 1,200.
- Launching a new era for captive insurance in Oklahoma with the passage of HB1108.
- Traveling to all 77 counties in the state to meet with consumers, fire departments, local leaders and insurance professionals.
- Returning $5.5 million in unspent funds to the state Legislature for Fiscal Year 2015.
- Hosting eight Senior Fraud Conferences across the state to educate seniors on fraud and teach them how to protect themselves.

Legislatively, we continued to focus on pro-business and consumer protection initiatives. Some highlights include:

- HB2929 prevents someone from profiting by causing an insurer to become insolvent through intentional wrongdoing, fraud or negligence.
- HB2928 strengthens the repercussions against a bondsman who files a false affidavit with the Commissioner.
- SB503 allows the Oklahoma Tax Commission to prohibit the issuance of any replacement license plate if the original plate is seized by law enforcement for driving without proof of insurance.
- SB1319 allows the Commissioner to require any form or fee submitted to OID to be in an electronic format.

I wish to extend my sincerest gratitude to everyone at the OID for their commendable service to Oklahoma and the insurance community. As always, if you ever have questions or need assistance, please contact us.

Respectfully,

John D. Doak

Oklahoma Insurance Commissioner

## ABOUT COMMISSIONER JOHN D. DOAK

John D. Doak was sworn in as Oklahoma's 12th Insurance Commissioner on January 10, 2011. He was re-elected on June 24, 2014 after garnering 77 percent of the statewide vote.

Doak's dream to pursue a career in insurance began as a young man. His father, a stockbroker, taught him the value of hard work and the challenges and benefits of operating within a diverse financial network.

Doak's interest in politics was piqued during his days at the University of Oklahoma. It was there, during classes taught by former Oklahoma Gov. Henry Bellmon and former State Rep. Neal McCaleb, that Doak first realized his desire to pursue public office. He graduated in 1988 with a Bachelor of Arts degree in political science.

Shortly after graduation, Doak opened his own branch of the Farmers Insurance Agency in Tulsa. As the business began to grow, he hired other agents to meet the needs of Tulsa-area consumers. Over the course of six years, he received numerous awards and commendations for his success, including being named Farmers' third Top Life Insurance Salesman in the nation.

Doak next served as an executive for several insurance firms including Marsh, Aon Risk Services, HNI Risk Services, and Ascension Insurance, where he was named Senior Vice President of Acquisitions.

Such diverse experience in the industry, from small business owner to corporate executive, gives Commissioner Doak a unique and broad understanding of how insurance works; knowledge that benefits the businesses and citizens of Oklahoma. He is committed to ensuring that Oklahomans have access to affordable, transparent health care within a competitive, robust market that helps businesses succeed.

Commissioner Doak and his wife, Debby, live in Tulsa with their children, Zack and Kasey.

## TOP ACCOMPLISHMENTS

### 1 Consumer Assistance Success

Once again, the Consumer Assistance Division had a tremendous year. The division helped 27,586 consumers over the phone and collected nearly $3.4 million for consumers. Division staff members also showed their dedication to serving Oklahomans by attending consumer outreach events across the state.

### 2 National Tornado Summit

The 2014 National Tornado Summit, co-hosted by OID, set an attendance record of nearly 1,200. Insurance professionals, emergency managers and weather experts from 36 states learned how to better prepare for, respond to and recover from devastating tornadoes.

### 3 Captive Insurance Launch

2014 ushered in a new era for captive insurance in Oklahoma. With the passage of a new law, the Sooner State became much more attractive to companies considering forming a captive. The success was immediate. Within a few short months, the applications started to arrive. Less than a year after the new law took effect, 12 captives had been approved.

### 4 77 County Tour

For the fourth straight year, Commissioner Doak has traveled to every county in the state to meet with consumers, fire departments, local leaders and insurance professionals. The annual visits provide a direct link from the department to those we serve. The face-to-face meetings allow us to better meet the needs of Oklahomans.

### 5 Returning Money to Legislature

OID returned $5.5 million in unspent funds to the state Legislature to help fill holes in the state budget for Fiscal Year 2015. During Commissioner Doak's first term, the agency has returned $22.5 million total.

*"Our commitment to being fiscally responsible allowed us to build up a healthy savings. We are happy to be able to use some of that savings to help shore up the budget and allow other state agencies to continue to do the good work they're doing."*

## *Success Stories*

- A consumer called because their insurance company had not released the money for the claim on debris removal on several properties, even though the money was promised to the insured within a few days. After a call from and OID Consumer Assistance Analyst, the company agreed to overnight a check.

- A consumer contacted OID because their insurance company kept delaying their claim. The consumer was frustrated and not able to get any answers or communication from the insurance company. Once a Consumer Assistance Analyst contacted the company, the insurer issued a check for over $15,000 within a few weeks.

- A woman contacted OID after her health insurance company denied her claim and both internal appeals, which made her eligible to apply for an external review. An external review is the last resort to resolving disputes with a health insurance carrier. If approved by OID, it allows an Independent Review Organization (IRO) to review the carrier's decision. The insurer must then abide by the IRO's ruling. In this case, the woman also submitted medical records to justify treatment. Upon review of this new information, the insurance company was able to quickly approve the medical treatment without going through an external review.

## *Post Disaster Insurance Guide*

OID released the Post Disaster Insurance Guide to help consumers better understand types of insurance and how to get started after a natural disaster.The easy-to-read guide outlines homeowners, renters, auto, health and life insurance policies and provides tips on how to file a claim. It also includes information on combating fraud and a toolkit with a home inventory app and contact numbers.

The guide includes these topics:

- What insurance policies are available
- What to do if you receive damage after a natural disaster such as a tornado, wildfire or earthquake
- How to identify insurance fraud
- Who is covered in the policies
- How to file a complaint
- What is not covered

### *Suspect: Presley Keith Dennis*

**Crime: Exploitation of the elderly**

**Summary:** Anti-Fraud investigators found that, while serving as the victims' insurance agent, Dennis defrauded a Muskogee couple out of nearly $300,000. The victims, an 80-year-old man and his 68-year-old wife, told investigators that Dennis convinced them to withdraw $300,000 from their annuities and invest it in his company, an unlicensed investment firm. They also said Dennis persuaded them to create a joint checking account with him so he could access the money to make investments. Instead of investing the money, Dennis spent it on past due child support, country club memberships and restaurants.

Sentence: Dennis was given a 15-year suspended sentence, ordered to pay a $500 fine and $293,265.83 in restitution.

## *2014 Legislative Accomplishments*

Every legislative session, OID works with state lawmakers to craft bills that benefit consumers and businesses. For OID, 2014 was another successful year at the Capitol. Gov. Mary Fallin signed six OID-requested bills into law, four of which are highlighted below.

- Senate Bill 1319 requires that forms and fees be submitted to OID in an electronic format. Insurer deposits will no longer be held by the state treasurer, but rather held at the OID. Also, an annuity sold to someone over the age of 70 cannot have a surrender charge that extends more than 10 years.
- Senate Bill 503 is a follow up to OID's effort in 2013 to reduce the number of uninsured motorists in Oklahoma. SB 503 allows the Oklahoma Tax Commission to prohibit the issuance of any replacement license plate if the original plate is seized by law enforcement for driving without proof of insurance. The bill also directs the Oklahoma Sheriffs' Association to submit identifying information for any tag seized to the Tax Commission.
- House Bill 2929 bars any payments to Class 10 claimants out of an insolvent insurer's estate if the claimant is found by the supervising court to have caused the insurer to become insolvent through intentional wrongdoing, fraud, gross negligence or negligence. Any monies remaining would revert to the estate to carry out the functions of the receivership.
- House Bill 2928 strengthens the repercussions against a bondsman who files a false affidavit with the Commissioner. County law enforcement is required to provide a list of properly licensed bondsmen to incarcerated individuals upon request. The bill also expands what must be included in a receipt provided by a bondsman and sets out the form of the receipt.

# MEDICARE ASSISTANCE PROGRAM

- Provides free counseling for Oklahoma consumers with Medicare and their caregivers

## *Become a MAP Volunteer*

Volunteers are the key to the success of MAP and the services it provides. MAP volunteers assist consumers with questions on Medicare, Medicare supplements, Medicare Advantage plans, long-term care, Part D prescription drug plans and assistance programs available to help low income seniors.

MAP volunteers must meet the following criteria:

- Want to help people with Medicare in his/her community
- Complete the required volunteer training
- Attend regular local in-service training sessions
- NOT be affiliated with (i.e., employed by, or in a position to sell) any insurance product, agency, company or service
- Be willing to assure complete confidentiality to every client
- Complete required paperwork
- Enjoy meeting new people
- Pass a background check

## *Powerful Partnership*

Every year, the MAP division strives to meet the needs of all seniors across the state. Accomplishing that goal, while also having trained staff available to help those who call the MAP toll-free assistance hotline, can be challenging. That's why the division joined forces with Heartline, a call center that currently answers the calls for the 211 Senior Information Line in western Oklahoma. The Heartline staff went through the same training as MAP counselors, enabling its staff to take some of the consumer calls coming in to MAP. This new partnership will allow the staff of the MAP Division to be more externally focused, working with contracted partners to reach more Oklahomans. The Heartline partnership also makes it possible for callers to speak to a trained counselor 24 hours a day, seven days a week.

# ISO REVIEW PROGRAM

The ISO Review Program allows the Oklahoma Insurance Department (OID) to work with fire departments across the state to help them better understand, prepare for and achieve the best ISO grading result possible, which can help Oklahomans save money on homeowners insurance premiums.

## *What is ISO?*

The Insurance Services Office (ISO) is a private entity that evaluates the protection resources of local fire districts then assigns the district a Public Protection Classification (PPC).

ISO collects information on more than 47,000 communities and fire districts throughout the United States including 1,649 in Oklahoma.

## *How are ISO Ratings determined?*

- Firefighter response to alarms
- Communication systems
- Water supply system
- Fire department
- Apparatus
- Training

## *Why are ISO Ratings important?*

Many insurance companies use this information to help establish fair premiums for home insurance policies, generally offering lower premiums in communities with better protection.

## *What does an ISO Rating mean?*

The Public Protection Classification rating ranges from 1 to 10.

Class 1 represents superior property fire protection while Class 10 indicates the area's fire-suppression program doesn't meet ISO's minimum criteria.

## *The OID ISO Division partners with:*

- The Council on Firefighter Training
- Oklahoma Rural Fire Coordinators
- Oklahoma State University Fire Service Training
- State Department of Agriculture
- Oklahoma Forestry Services
- Oklahoma State Firefighters Association
- Oklahoma State Fire Marshal's Office
- Oklahoma Fire Chiefs Association

If not for the partnership and support of these agencies, OID ISO Coordinators would be limited in some of the areas critical to the goals of the division.

## *Accomplishments:*

- When the OID ISO Program was initiated, more than 53% of the Oklahoma ISO Classifications were either a Class 9 or 10. Today that number is down to 35.6% after 287 fire districts moved to a lower PPC.
- That improvement could potentially save Oklahomans millions of dollars a year on homeowners insurance premiums.
- OID ISO coordinators contacted more than 400 Oklahoma fire departments and conducted 180 reviews.
- 122 communities completed a PPC evaluation.
- 78% of the communities graded improved their PPC.

## *WORKERS' COMPENSATION*

The Financial Department is also responsible for administering the Oklahoma Option. Created by SB1062 as the "Oklahoma Employee Injury Benefit Act," the Oklahoma Option allows employers to choose between the new, administrative workers' compensation system or an alternative system to compensate employees for on-the-job injuries. The Option uses statutory workers' compensation benefit levels, employee accountability and a free market approach to medical management—all key cost drivers in the workers' compensation system.

***From May through August of 2014, OID approved 9 Qualified Employer applications***

In March, OID held seminars to educate business owners, workers and insurance agents about the upcoming workers' compensation changes

## CAPTIVES

2014 marked the beginning of a new era for captive insurance in Oklahoma. During the 2013 legislative session, OID worked with legislators to update the state's captive law, strengthening its ability to provide competitive captive insurance regulation. A captive is an insurance company created and owned by one or more non-insurance companies to insure the risks of the owners. Captives have grown rapidly in recent years, and they can provide an alternative risk management tool for especially hard-to-insure or expensive risks.

*"The captive market is growing rapidly and, as a result of this new legislation, Oklahoma is well positioned to take advantage of that growth. As the captive market grows here, we hope to bring some of those captives owned by Oklahoma companies home. We want them doing business in our state. This means jobs for Oklahoma."*

–Commissioner John D. Doak

***12 new captives have been approved since the new law went into effect on Nov. 1, 2013***

### *Benefits to Oklahoma's Captive Law Include:*

- Ability to obtain a Provisional License
- Premium tax capped at $100,000
- No investment restrictions except for association captives and risk retention groups
- No in-state annual board meeting requirement
- Pure captives – Initial paid in capital and surplus of $150,000
- Ability to cover workers' compensation risk

**Captive forms are available at captive.oid.ok.gov**

The inaugural Captive Conference, held April 30 at the Oklahoma History Center, welcomed dozens of business owners from across the state. They learned about Oklahoma's new captive law and the state of the captive industry.
