OKLAHOMA FILM & MUSIC OFFICE

Form E - Expatriate & Declaration of Residency
Oklahoma Film Enhancement Rebate Program

***Oklahoma Expatriate Provision**
The Oklahoma Film & Music Office qualifies below-the-line wages and salaries paid to Oklahomans currently residing out-of-state as an "Expenditure" or "Production Cost". These payments count toward the minimum requirement of $25,000 in Oklahoma expenditures.

These individuals must provide proof that they are Oklahomans by supplying this form and a copy of one of the following:

- Birth Certificate
- Drivers License
- College or High School Transcript
- Parent(s) home address, verifiable by current utility bill

Before rebate payment can be made, producer must provide proof that the individual has filed (or has agreed to file) an Oklahoma income tax return for the year services were rendered on the production to the Oklahoma Film & Music Office.

A further requirement is that in exchange for utilizing a crew member from the expatriate roster as a qualifying local expenditure the production must accept assignment of an intern provided by an Oklahoma institution of higher education or Career Tech for an agreed upon length of time during the course of the production (to be assigned to the expatriate or other appropriate personnel).

Line Producer: Please collect all signed Expatriate forms and submit to OF&MO with final rebate paperwork.
By signing this form, I agree to file an Oklahoma income tax return for the year services were rendered on the production.
