ADDENDUM ORDER

This matter comes before the undersigned Administrative Law Judge pursuant to Appellant's Request for Attorney Fees following issuance of the Final Order granting Appellant's appeal. Appellee filed its Notice of Settlement Agreement and Motion to Deny Motion for Award of Attorney Fees and Costs, praying that Appellant's Request for Attorney Fees be denied on the grounds that the parties entered a settlement agreement in which Appellant agreed to dismiss all pending claims.

After consideration of Appellant's Request, Appellee's Motion, the parties' settlement agreement, and the entire record in the case, the undersigned finds as follows:

1. Appellant was the prevailing party in this matter and timely filed her Request for Attorney Fees.

2. Subsequent to Appellant's Request for Attorney Fees, the parties entered into a binding settlement agreement, on file herein, in which Appellant agreed to release all of her pending claims in the case; that Appellant thereby agreed to dismiss her Request for Attorney Fees no later than May 29, 2016.

3. That Appellant's Request for Attorney Fees should be denied.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that Appellant's Request for Attorney Fees is hereby DENIED.

Dated this 2nd day of June, 2016.
