

## Acceptable Motor Vehicle Improvement Course

In the event a state employee is required to attend a Motor Vehicle Improvement Course pursuant to Risk Management Program administrative rules, the following courses are acceptable:

- A state-agency prepared MVI course, reviewed and accepted by State Risk Management, specifically covering the type of driving the agent of the State is required to do in the performance of his/her duties; or,
- A Motor Vehicle Accident Prevention course offered by accepted educational institutions, whether public or private, which provide a certificate of completion attesting to the agent's participation and completion of the course.
