The Oklahoma State Board of Pharmacy (OSBP) is hosting FREE EDUCATIONAL SEMINARS at 11 locations throughout the state. **The seminars are designed to provide important information of value to both pharmacists AND technicians from all practice settings including community retail AND hospital and institutional pharmacy. The schedule is listed below.**

Each seminar will offer three (3) one-hour topics which include Low-Tech Error Reduction Strategies, Diversion Detection and Prevention, and Law Updates. Each topic has been approved for one (1) hour of OSBP Continuing Education credit. Registrants will receive credit for each session attended.

The OSBP Seminars are being provided without charge. Registration for the Seminars begins at 2:30 p.m. at each location. The Seminars are held from 3 p.m. – 6 p.m.

In addition, the Oklahoma Pharmacists Association (OPhA) District Meetings will be held on the same dates at the same locations. Registration for the OPhA meeting begins at 6 p.m. immediately after the OSBP Seminars.

The OPhA District Meetings qualify for 2 hours of CE and there is a charge for the meal. You may attend either or both.

For more information on both programs and information about advance registration, please go to: <http://www.opha.com/CEEvents/OPhAFallDistrictMeetings.aspx>
