BOARD GUIDELINES FOR CE VIOLATIONS - PENALTIES

The Board regards failure to comply with continuing education (CE) requirements as a serious issue. With many home-study and live programs available, achieving the 15 hour requirement cannot be viewed as a burden. Accordingly, the penalties assessed by the Board for the failure to comply are far worse than the effort required to complete the 15 hour requirement.

1st Offense:

1. **Fine:** \$50 for each hour or partial hour of missing or falsified CE (\$200 minimum)
2. **Additional CE:** 4 hours for every 1 hour or partial hour of missing or falsified CE
3. **Must submit original CE completion certificates with license renewal for the next renewal.**

2nd Offense:

1. **Fine:** \$100 for each hour or partial hour or missing or falsified CE (\$400 minimum)
2. **Additional CE:** 4 hours for every 1 hour or partial hour of missing or falsified CE
3. **Must submit original CE completion certificates with license renewal for the following 3 years.**
4. **License placed on probation for 2 years.**
