These candidates are reviewed by the Board and granted eligibility* upon completing the requirements as stated above.

Once the Board determines you are eligible to take the examination and notifies NABP, an Authorization to Test (ATT) letter will be issued to you via e-mail by Pearson VUE. The ATT includes the dates during which you will be eligible to take the examination, instructions on how to schedule your testing appointment, and other important information. You must have your ATT letter before you schedule an appointment to take the examination.

Candidates must be granted eligibility* at least ten days before a scheduled Oklahoma Jurisprudence Exam in order to sit for that exam.
