

More Frequently Asked Questions

How are buses and taxis affected?

As providers of public transportation, they are to be smokefree.

Copies of Oklahoma's secondhand smoke laws, a summary of the laws and related information can be found at an internet web site maintained by the Oklahoma State Department of Health: www.breatheeasyok.com. Or these materials can be provided by mail upon telephone request to the toll-free number 1-866-ONLY AIR (1-866-665-9247).
