SPACING GUIDE FOR BRICK - ONE CHARACTER PER BOX INCLUDING SPACES

The sale of bricks are a very important part of this "Not for Profit" project. However we must find additional support. Donors tablets will list names of donors of \$500.00 or more. We appeal to service organizations, lodges, clubs, etc. for additional markers or tablets. Each of the 14 benches may be sponsored by corporate funding for \$5000. The four arches in the "Freedom Facade" will be dedicated to the Army, Navy, Air Force, and Marines.

This is an ongoing project in Oklahoma County, and any of the following committee members will be happy to advise on the full scope of the activity:

- | | |
|-------------------------|--------------|
| David Howe, Chairman | Ray Bradshaw |
| Carl Thompson | Oscar Ogle |
| Forrest "Butch" Freeman | Dale Gill |
| Robert Floyd | Don Strube |
| Bobbie Freeman | Gene Pickett |
| Ralph Youngblood | |

The VETERANS MEMORIAL at CHOCTAW is an official Centennial Commission Project, partially funded by the Oklahoma Centennial Commission

Your brick sponsorship will become a permanent part of this memorial to recognize veterans everywhere, past, present, and future.

VETERANS MEMORIAL at CHOCTAW

PAYING TRIBUTE TO THOSE WHO SERVED:
 Military Retirees,
 Former Military,
 Guardsman,

Reserves,
 DoD Civilians, and
 Those gone, but not forgotten.

The Veteran's Memorial at Choctaw is planned to honor our service men and women of all time and to pay special tribute to those persons on the home front in defending our freedom. We have hundreds of people like Linnie Hefner who went to work at Tinker Air Force Base at age 50, and continued to support our military until forced into retirement at age 70. A major fundraiser for this project will be the sale of Memorial Bricks. These Bricks will be placed in the Memorial Walls, to permanently remind our friends, family, and community, of the efforts made by each individual to protect our freedom.

Memorial Bricks shown in miniature of the actual size, with lettering represent different ideas or lettering that may be used on each brick. Each purchaser is encouraged to write their own text for a given brick, keeping within the guidelines of no more than 14 characters per line. For a total of 3 lines. Each brick will represent a donation of \$100.00
