- (1) The issuance or denial of a new license or new certification is not an individual proceeding, and is not subject to review by the administrative hearing process set forth below.
 - (2) CLEET or its designated agent shall serve by certified mail, return receipt requested, or by personal delivery by an individual authorized by CLEET, a "Notice of Council Action" containing information required by 75 O.S. Section 309 et. seq., to the party at his last known residential address as reflected by the records of CLEET or current employing department or agency address if the personal address is unknown. If said letter is returned and notation of U.S. Postal Service indicates "unclaimed", "moved", "refused" or any non-delivery markings and the Council's records indicate no change of address as required by rule 390:35-5-13, the notice and any subsequent order shall be deemed served. Any order issued shall be deemed valid as if said individual or agency had been served.
 - (3) The notice shall provide that CLEET action shall commence and become effective fifteen (15) days after receipt of said notice by the party, unless the party timely files a written request for a hearing with CLEET except as follows:
 - (A) When CLEET determines that an allegation warrants immediate action, the commencement and effective date of fifteen (15) days will be waived and the action will be effective upon receipt of said notice.
 - (B) A request for hearing will be timely filed if said request is in writing and received by CLEET, its Director, or designated agent within ten (10) days of the date the party received notice.
 - (C) If a timely written request for a hearing is not received by CLEET, the allegations shall be deemed confessed by the party and the action will become final.
 - (D) If the written request for hearings is timely received by CLEET, such hearings shall be scheduled within sixty (60) days from the date said request is received.
 - (4) The timely filing of a written request for a hearing will stay CLEET's action pending disposition of the hearing, unless the notice and allegations fall within the purview of (2)(A) of this subsection.
 - (5) The hearings will be held at a location designated by the Council.
 - (6) The hearing officer will be designated by CLEET or the Director thereof, and each party shall be afforded an opportunity to be heard and present evidence.
 - (7) The hearing will be electronically recorded and the tapes of said hearing will be preserved until all avenues of appeal have expired or been exhausted. If a party desires a court reporter, or certified stenographer, it shall be the party's burden to provide and bear the cost of said services and subsequent transcription.
 - (8) If a party fails to appear at the scheduled hearings without prior notification or good cause, the hearing officer shall default the party, and enter an order sustaining the allegations set forth in the notice and imposing the sanctions set forth therein; or if the State sustains its burden, the hearing examiner shall rule accordingly.

390:2-1-3. Continuances

(a) **Continuance by CLEET.** The Hearing Examiner or CLEET may continue or adjourn at any time for a specified time, with notice or motion.

(b) **Continuance by motion of parties.** Except for good cause shown, or by agreement of all parties appearing at the hearing, no continuance will be granted upon motion of a party unless written request therefore is filed and served on all parties of record and submitted to CLEET at least seven (7) days prior to the date set for hearing. A stipulation for continuance among all parties of record ordinarily will be approved, unless CLEET determines that the public interest requires otherwise

390:2-1-4. Discovery

(a) **Purpose.** Discovery is designed to enable a party to obtain relevant information needed for presentation of the party's case. These Rules are intended to provide a simple method of discovery.

(b) **Explanation.** Discovery is a process apart from the hearing whereby a party may obtain relevant information from another person which has not otherwise been provided. Relevant information means evidence having any tendency to make the existence of any fact that is of consequence to the determination of the action more probable or less probable than it would be without the information. This information is obtained for the purpose of assisting the parties in developing, preparing and presenting their cases.

(c) **Methods.** Discovery may be obtained by written interrogatories or oral interrogatories reduced in writing, depositions, production of documents for inspection or copying.

(1) Depositions.

(A) Deposition of a witness for use at a hearing may be taken only when ordered upon motion by CLEET or on application of a party. The order may direct that the deposition of a witness be taken inside or outside the State of Oklahoma.

(B) The order shall state the time and place the deposition shall be taken, and the party taking the deposition shall serve a copy of the order by regular mail on each party of record at least five days prior to the date scheduled for taking the deposition.

(C) The manner of taking depositions and the attendance of witnesses shall be governed by the laws relating to taking the depositions for use in the District Courts, except that the attendance of a witness for deposition shall be required only in the county of his residence.

(D) A deposition may be offered in evidence at the hearing by any party.

(2) Production of documents.

(A) Upon application of a party, or upon motion of CLEET, with or without notice, CLEET may make an order requiring a party to produce designated documents or tangible objects for inspection by parties to the proceeding, or for copying at the expense of the applicant, or to be offered into evidence. The order shall direct production thereof at the hearing, and production shall be at the principal office of CLEET, unless some other place is stated in the order.

(B) The party applying therefore shall serve a copy of the order by regular mail on

each party of record at least five days prior to the date upon which production is required.

(C) An order pursuant to this section may require production of any document not privileged which constitutes or contains evidence relevant to the subject matter of the proceeding, or may reasonably lead to such evidence. Business records shall not be deemed privileged as such; but confidential business records and information will be protected from disclosure except where directly relevant to the issues in the proceeding. (D) The order shall identify the documents or object to be produced individually or by categories, with sufficient particularity to permit easy identification thereof by the party ordered to make production.

(E) An exact photographic copy of a document may be substituted for the original, at the expense of the person producing the instrument.

(3) **Admission of facts and genuineness of documents.** CLEET may order any party to respond to requests for the admission of the genuineness of any relevant documents identified within the request or the truth of any relevant matters of fact or application of law to the facts as set forth in the request.

(4) **Stipulations.** The parties may stipulate as to any matter of fact. Such a stipulation will satisfy a party's burden of proving the fact alleged.

(d) **Witnesses.**

(1) **Lists.** All parties to a proceeding shall file a list of witnesses expected to be called during the proceeding. Such list shall include a brief statement describing the testimony to be offered. Witness lists will be made available for inspection and copying to all parties of record. The witness list shall be made available at least five days prior to the hearing.

(2) **Exclusion.** The Hearing Examiner may exclude the testimony of any witness when said testimony is deemed irrelevant, unduly repetitious or cumulative.

(3) **Testimony.** A witness present at a hearing pursuant to subpoena may be called to testify by the Hearing Examiner or by any party.

(4) **Protective orders.** CLEET may make any orders with respect to subpoenas and attendance of a witness with or without application or notice, as may be appropriate for the protection of parties and witnesses, including an order excusing attendance, or limiting documents to be produced.

(e) **Subpoenas.**

(1) **Duces Tecum.** CLEET may, upon request of a party, issue a subpoena in the name of CLEET in any pending proceeding requiring attendance of a witness from any place in the state to the place of hearing. A Subpoena Duces Tecum may require a witness to produce at the hearing, books, records, accounts, papers and other instruments and tangible objects, which shall be described with reasonable particularity in the subpoena. A subpoena duces tecum directed to a party, not an individual, may direct that the records be produced by an officer or employee responsible therefore.

(2) **Request for subpoena.** A request for subpoena shall be submitted to CLEET not less than five days prior to the hearing. Such requests shall be supported by a showing of general relevance and reasonable scope and a statement of the facts expected to be proven.

(f) **Interrogatories.**

(1) Upon application of a party, or upon the motion of CLEET, with or without notice, an order may be entered requiring a party to answer in writing under oath of the party or a person authorized to make an answer, certain written interrogatories attached to the order. Unless otherwise ordered, the answers shall be submitted at the hearing, or at a pre-hearing conference.

(2) The party applying for the order shall serve a copy thereof, with interrogatories attached,

by regular mail, upon each party of record at least ten days prior to the date upon which answer is required.

390:2-1-5. Protective orders

(a) The Hearing Examiner at the hearing or at anytime upon application of a party, with or without notice, may make such orders relating to discovery as may be necessary or appropriate for the protection of the parties, and to prevent hardship to and excessive burden upon a party. Such orders may, among other subjects, limit the scope of depositions, prohibit questions or subjects of inquiry, require or excuse answers to questions on deposition, limit or excuse, in whole or in part, production of documents or answers to interrogatories, and shorten or extend the time within which any act shall be performed.

(b) CLEET may make appropriate orders, including dismissal of a proceeding or denial of relief, as may be warranted for failure or refusal to comply with an order issued pursuant to this rule.

390:2-1-6. Service of subpoenas; motion to quash

(a) A subpoena may be served by a law enforcement officer, by an attorney, or by any other person who is over eighteen (18) years of age. The person serving the subpoena shall attach an affidavit showing the person served, and the time and manner of service. Service may be made in person, by certified mail, with return receipt, by leaving a copy of the subpoena at the principal place of business of the party, with the party, or an employee who customarily serves as the secretary or receptionist of the party. Service may also be made in any other manner provided by law. A subpoena shall be served on a witness not less than three (3) days prior to the hearing.

(b) The original subpoena, with affidavit of service thereon, shall be filed with CLEET. The attendance of a witness shall not be enforced unless the original subpoena is on file at the time of the hearing.

(c) Any person to whom a subpoena is directed, may file a motion to quash or limit the subpoena, setting forth the reasons why the subpoena should not be complied with or why it should be limited in scope.

390:2-1-7. Hearings open to public; hearing record

(a) Every hearing before CLEET shall be conducted by the designated Hearing Examiner. All hearings shall be open to the public; however, upon motion of a party to the proceeding, the Hearing Examiner may exclude from the hearing room any witness not at that time under examination. A party to the proceeding and/or that party's attorney may not be excluded.

(b) All testimony will be taken on the record unless otherwise designated by the Hearing Examiner.

390:2-1-8. Hearing examiners

(a) **Exercise of authority.** Hearing Examiners shall conduct fair and impartial hearings and take all necessary action to avoid delay in the disposition of all proceedings. They shall have all powers necessary to that end unless otherwise limited by law, including but not limited to, the authority to:

- (1) Administer oaths and affirmations;
- (2) Rule upon offers of proof and receive relevant evidence;
- (3) Rule upon the institution of discovery procedures as appropriate;
- (4) Convene a hearing as appropriate, regulate the course of the hearing, examine any witness in order to clarify issues; maintain decorum and exclude from the hearing any disruptive persons;

(9) Make inquiries of the parties or witnesses for the purpose of clarification or fact findings to insure a fair and impartial decision;

(10) Identify and document Findings of Fact and Conclusions of Law and render decisions pursuant to the particular action taken.

(b) Disqualification of hearing examiner.

(1) In the event that a Hearing Examiner considers himself/herself disqualified, he/she shall withdraw from the case, stating on the record the reasons why and shall immediately notify CLEET of the withdrawal.

(2) Any party may file a motion requesting the Hearing Examiner to withdraw on the basis of personal bias or other disqualification and specifically setting forth the reasons for the request. This motion shall be filed as soon as the party has reason to believe there is a basis for disqualification.

(3) The Hearing Examiner shall rule on the motion.

390:2-1-9. Sanctions for non-compliance with hearing and discovery procedures

The Hearing Examiner may impose sanctions upon the parties as necessary to serve the ends of justice.

(1) **Failure to comply with an order.** When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, a request for admission, and/or production of witnesses, the Hearing Examiner may:

(A) Draw an inference in favor of the requesting party with regard to the information sought;

(B) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought;

(C) Permit the requesting party to introduce secondary evidence concerning the information sought; and

(D) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(2) **Failure to prosecute or defend.** If a party fails to prosecute or defend an appeal, the Hearing Examiner may dismiss the action with or without prejudice as would best serve the ends of justice.

(3) **Failure to make timely filing.** Any party who fails to file any pleading as ordered by the hearing examiner may be subject to sanctions including dismissal of the case.

(4) **Scope of hearings.** The Hearing Examiner may state the purpose and scope of the hearing, or the issues upon which evidence will be heard.

390:2-1-10. Conduct of hearings

(a) **Appearances.** Every party appearing at a hearing shall enter an appearance by stating their name and address. An individual may appear on their own behalf or be represented by an attorney.

- (f) **Adverse party.** A party may call an adverse party or an officer or employee of an adverse party, in which case the witness may be impeached and otherwise cross-examined.
- (g) **Prepared testimony.** Written testimony of a witness in the form of questions and answers, or a narrative statement may be received in lieu of direct examination upon authentication by the witness under oath. The witness shall be subject to cross-examination. - (h) **Documents.**
- (1) A photographic copy of an instrument which is on file as part of the official records of CLEET will be received without further authentication.
 - (2) A photographic copy of a public record certified by the official custodian thereof will be received without further authentication. 390:2-1-11. Declaratory rulings

- (b) This chapter outlines the procedures to obtain certification through reciprocity from other states and entities.

390:10-1-2. Minimum certification and employment standards

(a) For the purposes of the rules of this Chapter and 70 O.S. Section 3311, a peace officer is defined as a duly appointed or elected law enforcement officer who is paid for working more than twenty-five (25) hours per week and whose duties minimally include all of the following on a full-time basis:

- (2) Preventing crime;
- (3) Protecting life and property;
- (4) Enforcing laws and ordinances of this state and its political subdivisions; and
- (5) Executing arrest warrants and search warrants.

(b) All persons hired or elected as peace officers shall meet the employment and training standards set forth in this chapter as set forth in Section 3311 of Title 70 of the Oklahoma Statutes. Calculation of said employment shall be based on cumulative periods of employment.

(c) The Council, or its designee, may grant an extension of the time frame specified in Section 3311 of Title 70 of the Oklahoma Statutes, upon written application by the employing agency, and when good cause is shown, as determined by the Council or its designee.

(d) In the event any officer so appointed or elected fails to comply with the employment and training standards and an extension of time is not granted, the employing agency shall comply with 70 O.S., Section 3311(E)(3) at the first opportunity made available by CLEET.

(e) Students are expected to complete the first basic academy in which they are enrolled. In the event a student cannot complete their initial academy, the student can complete the course work in another academy if such work can be completed within a one year period from the date of hiring or appointment as a peace officer. If reentry exceeds one year, students will be required to start the academy over again without regard to previous classwork completed unless reentry was delayed by a documented medical condition or military orders prohibiting participation. Exceptions may be made by the Director, or Director designee, for students who have been

granted extensions of time as authorized by 70 O.S., Section 3311 (E)(3).

(f) The Council may provide options for remedial or make-up training for students attending approved academy or CLEET basic academy programs.

390:10-1-3. Employment status reporting

All state, county, and local law enforcement agencies affected by the rules of this chapter and 70 O.S. Section 3311, shall report to CLEET the employment and termination of any appointed or elected peace officer within ten (10) days of the date of employment or termination of employment of said officer. Such notification shall be in a format accepted by CLEET. Termination reports shall include resignations, discharges or dismissals, retirements, and deaths of officers covered under the rules of this chapter and laws.

390:10-1-4. Peace officer employment standards

(a) A person shall comply with the requirements of 70 O.S. Section 3311(E)(F)(G) in order to be employed as a peace officer.

(b) Nothing herein shall preclude any law enforcement agency from establishing and implementing minimum employment standards in addition to those set forth by law and the rules of this chapter.

390:10-1-5. Requirements for certification

(a) No person may be certified as a peace officer under the laws and the rules of this chapter until the following requirements have been met.

(1) The agency employing an officer seeking certification, or in the case of an elected official, the elected official himself must certify to CLEET that the employment standards set forth in 70 O.S. Section 3311 (E)(F)(G)(J) have been met. This certification shall be in a format accepted by CLEET.

(2) Having met the employment standards set forth herein, an officer must certify to CLEET that he or she is physically able to fully participate in and complete all phases of the CLEET Basic Peace Officer Certification Academy. This certification shall be in writing on forms to be provided by CLEET. CLEET shall reserve the right to refuse training to persons found to be physically unable to complete all phases of basic certification training.

(3) The head of the agency employing an officer enrolling in a CLEET Basic Certification Academy, shall first certify to CLEET that the officers's employing agency will fully assume all medical expenses incurred by said officers as a result of any injury or illness incurred during basic certification training.

(4) Any officer seeking peace officer certification must successfully complete all phases of a CLEET Basic Certification Academy, or a CLEET - approved basic certification academy.

(5) Every full-time peace officer, certified by the Council, who has been inactive for five (5) or more years, upon re-entry to full-time status, must complete refresher training as prescribed by CLEET and successfully pass a written examination as prescribed by the Council, within one (1) year of employment.

(A) Trainees must achieve a passing score as determined by CLEET on the examination.

(B) Any trainee that fails the examination will be permitted to retake that examination within five (5) business days of the first examination.

(C) If the trainee fails the retake examination, the trainee's agency head must petition

the Director in writing, to receive additional training and examination opportunities.

(b) The Council on Law Enforcement Education and Training, pursuant to relevant provisions of the Americans With Disabilities Act, will not discriminate against persons capable of performing essential functions required in peace officer training programs with or without reasonable accommodation.

390:10-1-6. Certification by reciprocity

Any officer seeking Oklahoma Peace Officer Certification, who has been certified by a state peace officer standards and training agency as a peace officer in another state, or any officer who has been certified as a federal peace officer by a Council recognized federal law enforcement agency, may obtain certification by reciprocity, under the following conditions:

- (1) The officer must meet the minimum peace officer employment standards set forth by law.
- (2) The officer must have been employed as a full time peace officer for at least three (3) months within the two (2) year period immediately preceding the request for Oklahoma certification.
- (3) The officer must attend training as specified by CLEET.
- (4) The officer must successfully pass a certification examination which is designed to be scored by functional area blocks, with the exception of skills training functional areas which shall not be tested. Officers must pass every functional area block tested at a standard prescribed by the Council. Officers may have one retest for each functional area block which they fail.
- (5) If an officer fails both a block test and a retest for any given functional area, then that officer must successfully complete the corresponding functional area in a CLEET Basic Academy, to include successfully passing the block examination(s). Any retest would follow the guidelines listed in OAC 390:15-1-13.

390:10-1-7. Withdrawal, suspension and reinstatement of certification

(a) **"Withdrawal" defined.** A withdrawal of certification is the voluntary surrender of peace officer certification by an officer that has been certified pursuant to the provisions of 70 O.S. 3311 et seq.

- (1) An officer requesting a withdrawal of certification must notify CLEET of his intent in writing to voluntarily surrender peace officer certification and have his name withdrawn from the list of Oklahoma certified peace officers.
- (2) If an officer is requesting withdrawal by voluntary surrender of peace officer certification based upon completed, pending or contemplated criminal proceedings, the officer must include in the notice to withdraw certification, a certified copy of the charges, sentencing agreement or other information to support the action. This would include any deferred sentencing agreement.
- (3) When a request for withdrawal of certification has been received by CLEET, the supporting documents will be verified and an investigation conducted to determine the facts for the stated underlying purpose of the withdrawal of certification.
- (4) CLEET will enter a Final Order of Withdrawal which must be signed by the officer requesting the voluntary surrender of peace officer certification and the Director. The Final Order of Withdrawal must include:
 - (A) A statement by the officer that the withdrawal and surrender of peace officer certification is voluntary; and
 - (B) Acknowledgment of the underlying facts for the withdrawal; and
 - (C) Acknowledgment that the information gathered during the investigation of the request for withdrawal may be submitted as evidence at a hearing upon the request of

the officer for reinstatement of certification;

(b) **Suspension.** The certification of a peace officer may be suspended pursuant to the provisions of 70 O.S. §3311 et seq.

(1) If any action against a peace officer results in the suspension of peace officer certification, the suspended officer shall not engage in law enforcement activities of any type during the period of suspension.

(2) When permitted by law, the officer and CLEET may enter an agreement for the suspension of peace officer certification. The Agreed Final Order of Suspension must include the length of the suspension.

(3) Administrative actions involving actions against a peace officer in which suspension of peace officer certification is provided by law, shall be conducted in accordance 70 O.S. 3311, the Administrative Procedures Act, OAC 390:2-1 et. seq. and this chapter.

(4) A suspension ordered after administrative hearing shall state the term of the suspension. Unless otherwise provided by law, the Hearing Examiner may establish a reasonable length of suspension.

(c) **Reinstatement.**

(1) After five years, an officer who has had peace officer certification suspended or who has voluntarily withdrawn his certification, may have peace officer certification reinstated through the following procedures:

(A) The officer shall file a request for reinstatement in writing, under oath.

(B) The request shall require the applicant to furnish information reasonably required to enable the Council to determine the fitness of the applicant for certification.

(2) The request for reinstatement shall be referred to the Assistant Director for processing of the request.

(3) The request will be reviewed by the Assistant Director and General Counsel to approve or deny the request. The following factors will be considered during the review:

(A) Circumstances surrounding the suspension or voluntary withdrawal of certification;

(B) Successful completion of the terms for suspension or voluntary withdrawal of certification;

(C) Any pending charges or actions in this state or any other state; and

(D) Activities of applicant during the period of suspension.

(4) If a request is denied, the Administrative Procedures found in OAC 390:2-1 et. seq. will govern the hearing.

(5) Individuals who have had their certification reinstated must meet the continuing education requirements described in 70 O.S. 3311.4.

(d) **Notification.** Upon the suspension, withdrawal or revocation of peace officer certification pursuant to 70 O.S. 3311 et seq. or these rules, CLEET shall provide written notification of such action to the head of the employing law enforcement agency and the district attorney in the jurisdiction where the officer is or was last employed, and to any other entity required by law.

390:15-1-1. Purpose

- (a) This chapter is devoted to basic peace officer certification training. Basic peace officer certification requires curriculum and courses of study validation through testing, course file maintenance, academy participation and academy rules.
- (b) Further, this chapter outlines procedures for CLEET academies and for approved academies providing basic peace officer training to their own officers.
- (c) This chapter also provides the employment, attendance and academic requirements for those enrolled in the Council's basic peace officer training.

390:15-1-2. Curriculum and courses of study

- a) The Council shall formulate and promulgate a program of instruction for peace officer certification, comprised of fundamental law enforcement skills and knowledge, which shall be designated as the Basic Peace Officer Certification Academy, known herein as the Basic

Academy.

(b) Major block curriculum changes, and/or changes in the total number of hours of the Basic Academy, shall only be made upon the consideration of public input, CLEET's constituency's opinion or by state statute. CLEET shall seek constituency opinion for major block changes, and/or changes in the total number of Basic Academy hours by requesting input from the Council via an agenda item at a regular or special Council meeting and through one or more of the following: 1) written or oral communication requesting input from local law enforcement chiefs, sheriffs, and agency heads; 2) requesting input from local law enforcement chiefs, sheriffs, and agency heads, at CLEET Regional Meetings; 3) requesting input from the Advisory Council to the Council on Law Enforcement Education and Training via an agenda item at a regular or special meeting.

(e) Each topic of instruction to be taught as a separate unit within the functional area shall have specifically defined performance objectives. A performance objective shall be defined as a task to be performed, or knowledge to be gained, by a trainee as part of the training process. Performance objectives shall serve as a foundation for student performance expectations and shall be the primary gauge against which the progress and achievement of each trainee is measured and tested.

(f) Additional hours of independent study may be required to fulfill one or more functional area requirements.

(g) Approved academy entities must meet instructional objectives established by CLEET but they may establish an hourly schedule that meets their needs.

390:15-1-3. Examinations and testing; remedial training; missed time

(a) For objectives that demand performance of observable behavior by a trainee, the test method, where appropriate, shall be performance oriented and shall duplicate, to the extent possible, realistic job situations.

(b) For objectives that demand mastery of cognitive material, the test method shall involve a written examination and, wherever possible, the written examination should test a trainee's ability to apply methods, concepts, and techniques taught in the classroom.

(c) Examinations shall be given at designated intervals during the Basic Academy to determine trainee achievement of objectives.

- (d) Successful achievement on each cognitive examination or performance test shall be at a standard established by CLEET or a higher standard if so required by an approved academy entity.

CLEET shall establish rules governing trainee conduct, attendance requirements, trainee equipment needs, and other matters necessary to the administration of the Basic Academy.

390:15-1-5. Certification examination

390:15-1-6. Basic Academy participation

- (a) All trainees shall be capable of full participation in all Basic Academy activities.
- (b) Until implementation of the pre-academy physical training assessment as provided in paragraph (e) of this section, trainees will be administered a physical training assessment by CLEET staff during the Basic Academy at the agency administrator's request.
- (c) The physical training assessment will be used to compile statistical data indicating the level of general fitness required to satisfy the physical demands of the Academy without undo risk of injury.
- (d) Upon request, an employing agency will be provided information as to whether or not the trainee participated in the voluntary physical training assessment and the results of the assessment.
- (e) Beginning July 1, 2006, or as soon thereafter as CLEET occupies the training facility in Ada, Oklahoma, every candidate for the Basic Academy must participate in a pre-academy physical training assessment.

(1) The pre-academy physical training assessment will be conducted by CLEET staff, or their designee, at the CLEET training facility in Ada, Oklahoma prior to admission in the Basic Academy. Provided, entities authorized by the Council to provide Peace Officer Certification training pursuant to OAC 390:15-1-19 shall complete the requirements of this section through use of their own personnel and at a location of their choosing. (3) No candidate will be denied admittance to the Basic Academy based upon performance in the pre-academy physical training assessment, except for failure or refusal to participate in the pre-academy physical training assessment.

(4) Prior to participation in the pre-academy physical training assessment, the candidate and the employing agency head or a licensed physician must submit a statement in writing that the candidate is capable of safe participation in pre-academy physical training assessment.

(5) The results of each candidates' participation in the pre-academy physical training

assessment shall be reported by CLEET to the employing agency or governing body, together with suggestions for general fitness improvement, if indicated by the results.

(6) The pre-academy physical training assessment will be used to compile statistical data indicating the level of general fitness required to satisfy the physical demands of the Academy without undo risk of injury, while optimizing training retention.

390:15-1-13. Academic requirements

- (a) In order to successfully complete the basic academy program, trainees must achieve a minimum passing score as designated by CLEET or a higher standard if so required by an approved academy entity.
- (b) Any trainee who fails a specific block examination will be permitted to retake that block examination within a time frame established by CLEET.

- (e) If a trainee successfully completes all academic blocks but still needs to complete a proficiency block, the trainee may take the certification examination. However, the examination will be maintained in CLEET files until the required proficiency blocks are successfully completed.
- (f) If a trainee fails to complete an academic block of instruction the trainee will not be allowed to take the certification examination until the academic block is successfully completed.
- (g) Trainees who fail the certification examination will be permitted to retake the examination within ten (10) business days. A third failure will necessitate reenrollment into a basic academy.
- (h) When a trainee fails a proficiency test in the Custody Control block, or the Law Enforcement Driver Training block, the trainee will not be certified, and will be scheduled for up to two remedial training courses at a later time. If the trainee does not successfully complete remedial training, the trainee's agency head must petition the Director in writing, to request any further training.
- (i) Petitions for further remedial testing or training, except for the Firearms Block, shall be made immediately upon notification by CLEET of the trainee's academic or proficiency failure. Upon completion of such training, the student's employing agency administrator must, in writing, notify the Director of CLEET that the student is ready to be scheduled for firearms proficiency testing by CLEET firearms staff. Such testing shall be completed by allowing the student up to three (3) attempts to attain the CLEET required proficiency in firearms. Should the trainee not attain the required proficiency, the employing agency administrator must, within fifteen (15) business days of such failure, petition the Director of CLEET for further testing or training. Such petitions must articulate the reasons for allowing the trainee to continue. Should the Director deny such a petition, the trainee's agency head may similarly petition the Council to request further testing or training for the trainee.

- (k) Trainees are expected to attend all blocks of instruction. If a trainee misses any time during the academy, the trainee must state in writing the reasons for the absence.
- (l) Absences due to unforeseen emergencies, illnesses, subpoenas, or other unusual circumstances may be approved by the Training Division Manager or Assistant Director for make-up during the current academy. Each case will be reviewed to evaluate the length of time missed, the impact upon the instructional staff and class to remediate the trainee, and options for the student to make up the missed time. The trainee may be required to provide documentation for excused absences such as a copy of the subpoena, doctor's statement, etc.
- (m) Unexcused absences or repeated tardiness may require makeup work during a current or future academy, and may result in administrative discipline.
- (n) Decisions that the Training Manager or Assistant Director make, regarding attendance and makeup requirements, may be appealed to the Director.
- (o) It is mandated by the Council that all examinations, and all proficiency tests must be successfully completed to meet the requirements for peace officer certification.
- (p) Each applicant is required to attend all class sessions, subject to previously stated exceptions. Lost time due to unexcused tardiness or absenteeism must be made up in a subsequent academy to complete the requirements for certification.
- (q) If a health condition or an injury exists, prohibiting a trainee from fully participating in any block of instruction, a signed and notarized release from the trainee's physician must be submitted before the trainee will be allowed to further participate in that block.
- (r) If the trainee cannot be so released by a physician to fully participate in that block then participation is prohibited. In that event, peace officer certification will not be granted until such time that the trainee is physically or medically able to satisfy all certification requirements.
- (s) Extensions of time to complete the requirements for certification may be granted at the Director or designee's discretion.
- (t) Approved academy entities shall establish their own requirements for academy testing, retesting, and attendance except that no academic standards shall be less than those established by CLEET in 390:15-1-13.

390:15-3-1. Purpose

The Collegiate Officer Program provides an alternative route to full time and reserve peace officer certification via degree granting institutions of higher education. It supplements the two other routes available, i.e., through the completion of a Council on Law Enforcement Education and Training Basic Peace Officer Certification Academy, or through the completion of a CLEET approved academy city/agency basic academy.

390:15-3-2. Program Administration

(a) The Council on Law Enforcement Education and Training shall provide a route to peace officer certification by providing degree granting institutions of higher education authority to conduct courses of study which are designed to include and cover all CLEET mandated Basic law Enforcement Academy course objectives. Courses that include CLEET objectives must be within the confines of an academic degree, i.e., the courses must count towards academic credit.

(b) CLEET shall establish minimum COP standards for instructors, curriculum, program evaluation, student enrollment, achievement and certification.

390:15-3-3. CLEET oversight and program administration

(a) CLEET shall require institutions offering the COP to request and receive accreditation from the Executive Director of the Council.

(b) CLEET may deny, suspend or revoke certification of a COP Director for cause.

390:15-3-5. Director functions

(a) COP Directors are responsible for applying for their institutions COP accreditation, for resource allocation, ensuring adequate facilities are available, records maintenance, course scheduling and delivery, selection and scheduling of instructors and instructor evaluations.

390:15-3-7. Course testing

(a) All academic COP course testing shall be subject to the higher education institution's testing and grading system with the exception that under no circumstances shall a course grade of less than 80 percent for First Aid, and no less than 70 percent for other course offerings, be considered a passing score for a course offering which contains a portion of the CLEET basic Academy instructional goals and objectives.

(b) COP skills training courses shall meet the minimum grading standards set forth for the CLEET Basic Academy skills training programs.

(c) Practical application exercises may be evaluated at a standard established by the COP institution.

390:15-3-8. Qualification examination

- (a) The CLEET qualification which is administered to COP students by an authorized CLEET representative, is a comprehensive objective examination which covers, at a minimum, those topical areas set forth in 390:15-1-2 and 390:15-3-6. Should additional topical areas be added, the qualification examination may be expanded to cover such additions.
- (b) The qualification examination shall be administered on a quarterly basis at times and locations to be determined by CLEET.

390:15-3-11. Psychological evaluations

(a) Prior to "Firearms" training, all students shall be administered a Minnesota Multi-Phasic Personality Inventory (MMPI), or a CLEET approved equivalent psychological examination, by a person qualified to administer such examinations. Examinations shall be evaluated by a licensed psychologist of each student's choice and at each student's expense. The results of the psychological evaluations shall be forwarded to CLEET and the school coordinator, by the evaluating psychologist on forms to be provided by CLEET.

(b) If, after evaluating this initial psychological testing instrument, an evaluating psychologist is not able to form an opinion as to whether or not an applicant is "at risk" or "capable" of exercising appropriate judgement, restraint, and self-control in the use of a firearm, the Act directs the psychologist to "employ whatever other psychological measuring instruments or techniques deemed necessary to form his professional opinion". For the purposes of this subsection, an evaluating psychologist is not necessarily obliged to find an applicant "at risk", by virtue of deficiencies in any particular area (judgement, restraint, and self control), but may consider the applicant's psychological traits in light of all three areas in formulating his opinion. (c) Any additional testing shall be done through mutual agreement between the psychologist and the applicant, and at the expense of the applicant.

(d) In the event that the evaluating psychologist is unable to form an opinion (either "at risk" or "capable"), or in the event an applicant does not agree to any further testing, the evaluating psychologist may so indicate on the "Notification of Psychological Evaluation for Peace Officers Full-Time and Reserve". In such cases, the applicant's psychological evaluation shall be treated in the same manner as an "at risk" evaluation, pursuant to the Act.

(e) No psychological evaluation shall be accepted as valid for the purposes of this Act when the following conditions have not been satisfied:

- (1) The evaluation results may be used for up to one (1) year from the date of the evaluation; and
- (2) The evaluation must have been performed for the specific purpose of evaluating an applicant's capability of exercising appropriate judgement, restraint, and self-control in the use of a firearm.

The results of the psychological evaluations shall be forwarded to CLEET by the evaluating psychologist on forms to be provided by CLEET.

(b) If, after evaluating this initial psychological testing instrument, an evaluating psychologist is not able to form an opinion as to whether or not an applicant is "at risk" or "capable" of exercising appropriate judgement, restraint, and self-control in the use of a firearm, the Act directs the psychologist to "employ whatever other psychological measuring instruments or techniques deemed necessary to form his professional opinion". For the purposes of this subsection, an evaluating psychologist is not necessarily obliged to find an applicant "at risk", by virtue of deficiencies in any particular area (judgement, restraint, and self control), but may consider the applicant's psychological traits in light of all three areas in formulating his opinion. For example, the test scores may indicate that an applicant is likely to lose his temper, but he also has a strong sense of ethics; so he may not be likely to shoot someone just because he tends to get angry easily.

(c) Any additional testing shall be done through mutual agreement between the psychologist and the applicant, and at the expense of the applicant.

(d) In the event that the evaluating psychologist is unable to form an opinion (either "at risk" or "capable"), or in the event an applicant does not agree to any further testing, the evaluating psychologist may so indicate on the "Notification of Psychological Evaluation". In such cases, the applicant's psychological evaluation shall be treated in the same manner as an "at risk" evaluation, pursuant to the Act.

(e) No psychological evaluation shall be accepted as valid for the purposes of this Act when the following conditions have not been satisfied:

- (1) The evaluation results may be used for up to six (6) months from the date of the evaluation; and
- (2) The evaluation must have been performed for the specific purpose of evaluating an applicant's capability of exercising appropriate judgement, restraint, and self-control in the use of a firearm.

Notification of such actions shall be reported immediately to the employing agency and to CLEET. School coordinators shall be responsible for ensuring compliance with the provisions of these rules and regulations.

(e) At the end of each training course, each student shall be given the opportunity to evaluate the performance of the school coordinator and each instructor on a form provided by CLEET. CLEET staff may conduct these evaluations, at their discretion.

(f) School coordinators shall submit a roster of graduating students, certifying that each student has met the requirements of the course conducted. This certification shall be submitted to CLEET within seven (7) days after the completion of the course, on a form provided by CLEET.

- (3) After repeating the course, applicants will be given two opportunities to successfully pass the examination.
- (4) Training costs will be paid by the applicant.
