15700 E. HIGHWAY 9

NORMAN, OK 73069

Evidenced Based Sex Crimes Investigations provides fundamental elements to investigating sexual motivated offenses. The course will cover sexual based offenses such as rape, sexual battery, lewd molestation, indecent exposure and others. In addition other topics covered will be crime scene investigation, victim interviews, suspect interrogations, rapist topology, false complaints and serial rape/major case investigations. A portion of the training is presented by a certified sexual violence professional and meets the new statutory requirement for law enforcement of 70 O.S. Section 3311.5(B)

8 HOURS CLEET CREDIT + INCLUDING 1 HOUR MENTAL HEALTH CREDIT
