Post-Interdiction Investigations

****This class is a comprehensive post-interdiction analysis of investigative actions and procedures to be taken following the seizure of illegal drugs (or other contraband items) and the arrests of criminal suspects subsequent to a highway drug interdiction or criminal patrol stop.**

****It is designed for patrol and interdiction officers, drug enforcement agents, criminal investigators and their respective supervisors.**

****The post-interdiction analysis starts at the point of seizure and emphasizes the entire scheme of investigative methodologies and set of procedures that are necessary to advance the investigation to its fullest potential and logical conclusion.**

Location: Absentee Shawnee Tribal Events Center & Casino: 15700 E. Hwy 9, Norman OK 73069
