Dear Dr. Crutcher,

On behalf of AcademyHealth and The Commonwealth Fund, I regret to inform you that Oklahoma has not been selected to participate in the 2008-2009 State Quality Improvement Institute. Although Oklahoma's application was impressive, we had to make some difficult decisions to narrow the field from 16 applicants to 9 final state participants.

Thank you for your interest in the State Quality Improvement Institute, and for the work you did to submit Oklahoma's application. We hope it was a valuable process, and look forward to working with you at some point in the future.

Sincerely,

Enrique Martinez-Vidal
Vice President, AcademyHealth
