American Cancer Society

Payne County Counseling

City of Perkins

DHS

Youth and Family Services

Stillwater Housing Authority

Oklahoma State University

OCCY

A Lil' Bit About Us….

The Mayor's Wellness Committee started in the 1970s. Over the years the committee has changed and developed into a cumbrance of Payne County through the subcommittees. However, it has kept the same focus... Health.

In August of 2006, the new Mayor joined board, but had some concerns of legal issues of the committee. After several meetings of how the committee would be structured the group decided to stay and become official by the city. Currently, they are still in this process and new committees, ideas and members are forming.

Key Activities

- Mayor's Cup Challenge for third graders
- Red Ribbon Breakfast
- Master Trail Plan
- Smart Start Health Committee
- National Tobacco Conference
- 24/7 Policy for Payne County Schools
- Town Hall Meeting on Underage Drinking
