

RESOLUTION

Be it resolved that the Commission, through its staff, declines to enforce Rule 257:10-1-2 or any other Rule prohibiting:

1. the source or amount of a contribution to a political action committee formed solely to make independent expenditures and/or electioneering communications; and
2. transfers to or from an out-of-state committee also registered in another state or states and/or a committee also registered under the laws of the United States

until such time as the legislature takes action on any new rules promulgated by the Commission related to the source or amount of contributions to or from committees formed solely to make independent expenditures or electioneering communications or related to transfers to or from an out-of-state committee also registered in another state or states and/or a committee also registered under the laws of the United States.
