## OHSO Loan Policy

The Oklahoma Highway Safety Office is pleased to be able to lend you videos, Vince and Larry Costumes, and Fatal Vision Goggles that will hopefully assist you in educating Oklahomans' to the highway safety issues and concerns facing each of us as we venture on our roadways.

Due to limited numbers of videos, costumes and goggles available and the high demand, and the tendency of some people to not return these items, or return them damaged or late, the OHSO must limit the number of items lent.

Each person or organization may borrow no more than six (6) videos or video sets, one (1) Vince and Larry Costume set, and two (2) Fatal Vision Goggles at one time. When the loaned items are received back in the OHSO, more items may be lent.

Videos must be returned after two (2) weeks. Vince and Larry Costumes and Fatal Vision Goggles must be returned after one (1) week. If the items are not returned in a timely manner, or if they are not returned or returned damaged, additional items may not be lent to the same requestor or agency in the future.

If videos, costumes or goggles are lost or damaged, the person or organization responsible for the items will be required to reimburse the OHSO for the cost of the items so they may be replaced and made available to other customers.

**Any injury to a person or damage to property incurred during the use of the Vince and Larry Costumes and/or Fatal Vision Goggles are the responsibility of the borrower.**
