Oklahoma Appointment & Termination Processing

Oklahoma Insurance Department conversion to State Based Systems is complete. Please submit your Appointment/Termination transactions through one of NIPR's Authorized Business Partners (ABP). A list of these ABP's can be found at http://www.nipr.com/authorized_business_partners.htm or if you have a License Agreement with NIPR you can code your own system to submit these electronic Appointment/Terminations directly to the NIPR Gateway.

If you would like more information about the License Agreement or programming your own system, please visit <http://www.nipr.com/gateway>
