COJC RECIEVES 100 PERCENT FROM ACA AUDIT

OKLAHOMA CITY – Robert E. “Gene” Christian Office of Juvenile Affairs (OJA) Executive Director is pleased to announce that the Central Oklahoma Juvenile Center (COJC) received a 100 percent rating in compliance from an audit by the American Correctional Association. “The results were very positive for us and it shows that we are continuing in the right direction,” stated Christian. The report showed that COJC met 32 mandatory and 407 non-mandatory standards.

Accreditation audits are required by the state for each institution and field offices. COJC is a medium-secure facility that offers direct care, education as well as treatment for substance abuse and sexual offenders.
