OJA YOUTH TO VISIT HISTORIC CHISHOLM TRAIL

OKLAHOMA CITY – Gary Bolin, Chief of Staff of the Office of Juvenile Affairs (OJA) along with the residents of two group homes, Foss Lake Adventure Program and Enid Boys Group Home will be attending the historic “Tales of the Chisholm Trail” event being held at Sewell Ranch and Old Campsite, Pond Creek, Oklahoma. “This is a chance for some of our youths to see what it was like on the cattle drives during the early days of our state history. And it’s certainly a way of educating our kids and having fun at the same time. It is important that all youth of the state have the opportunity to experience the rich traditions and culture that our various communities still celebrate”, stated Bolin.

The event will take place on May 15, 2008. The Office of Juvenile Affairs has conducted many such events and field trips for several years at historic sites across the state.
