SWOJC RECEIVES POSITIVE ACA AUDIT RESULTS

OKLAHOMA CITY –Office of Juvenile Affairs (OJA) announces the results of the audit for the Southwest Oklahoma Juvenile Center located in Manitou, Oklahoma. The American Correctional Association performed the audit, which is required by the state for each secure institution and field offices. “This audit follows similar audits of OJA’s other secure institutions, which received very positive results. This shows that we are continuing in the right direction at each facility,” stated Christian. The report showed that SWOJC met 100% mandatory and 99.5% non-mandatory standards.

OJA is very proud of its staff for continuing to strive for excellence.
