

## McREL's Principal Evaluation System In Partnership with CCOSA

Measure what matters most. Focus on what matters, measuring performance on teaching & leadership practices linked to student success; Ensure fairness, gauging educator performance on multiple indicators, including student achievement; Improve performance, differentiating and focusing professional development according to individual staff needs; Streamline reviews, providing a web-based system for storing, tracking, and reporting results.

These trainings are being offered for new administrators, or for those who were unable to complete the training for the 2012-2013 School Year. Please select from the two-day trainings below:
