I. RECITALS

- 1.1 OSEEGIB is a State of Oklahoma governmental agency that administers health, life, dental, and disability insurance benefits for State, education, local government, and other eligible employees and retirees, pursuant to the State and Education Employees Group Insurance Act, 74 O.S. (2001) § 1301 et seq.
- 1.2 The Facility is duly licensed by the state of residence and is certified to participate in the Medicare program under Title XVIII of the Social Security Act, and/or certified by The Joint Commission or Accreditation Association for Ambulatory Health Care, hereinafter “AAAHC”, if applicable, and shall comply with all applicable federal, state, and local laws regulating such a Facility.
- 1.3 OSEEGIB administers self-funded health plans that are identified by the trade name “HealthChoice.” HealthChoice Plans are intended to financially encourage the population of OSEEGIB Members, retirees and dependents to utilize Network Providers.

In consideration of the mutual covenants, promises and other good and valuable consideration, OSEEGIB and the Facility agree as follows:

II. DEFINITIONS

- 2.1 “Allowable Fee” means the maximum amount payable to a Facility by OSEEGIB and Member for Covered Services furnished pursuant to this Contract.
- 2.2 “Base Rate” means a dollar amount established by OSEEGIB by which the MS-DRG Relative Weight is multiplied to obtain the MS-DRG Allowable Fee.
- 2.3 “Certification” means a function performed by OSEEGIB to review and certify services for medical necessity in identified areas of practice prior to services being rendered.
- 2.4 “CMS” means Centers for Medicare and Medicaid Services.
- 2.5 “Concurrent Review” means a function performed by OSEEGIB that determines and updates medical necessity for continued inpatient hospitalization.

- 2.6 “Covered Services” means Medically Necessary services delivered by a Facility pursuant to this Contract and for which a Member is entitled to receive coverage by the terms and conditions of a HealthChoice Plan.
- 2.7 “Emergency” means a sudden and unexpected symptom that a prudent lay person, who possesses an average knowledge of health and medicine, could reasonably expect that the absence of immediate medical attention would result in placing the health of the individual or others in serious jeopardy.
- 2.8 “Facility Services” means those acute care inpatient and outpatient Facility Services that are covered by the HealthChoice Plan.
- 2.9 “Geometric Mean Length of Stay” (GMLOS) means the current version of the Geometric Mean Length of Stay published by CMS for each MS-DRG.
- 2.10 “HealthChoice Plan” means the HealthChoice benefit plan designed to maximize Member’s insurance benefit and financially encourage Members to use Network Providers.
- 2.11 “Marginal Cost Factor” means a factor used in the Outlier Allowable Fee calculation.
- 2.12 “Medically Necessary” means services or supplies which are provided for the diagnosis and treatment of the medical and/or mental health/substance abuse condition and complies with criteria adopted by OSEEGIB. Direct care and treatment are within standards of good medical practice within the community and are appropriate and necessary for the symptoms, diagnosis or treatment of the condition. The services or supplies must be the most appropriate supply or level of service which can safely be provided. For hospital stays, this means that inpatient acute care is necessary due to the intensity of services the member is receiving or the severity of the Member’s condition, and that safe and adequate care cannot be received as an outpatient or in a less intensified medical setting. The services or supplies cannot be primarily for the convenience of the member, caregiver or provider. The fact that services or supplies are Medically Necessary does not, in itself, assure that the services or supplies are covered by the HealthChoice Plan.
- 2.13 “Medical Services” means the professional services provided by a Network Provider and covered by a HealthChoice Plan.
- 2.14 “Members” means all persons covered by the OSEEGIB HealthChoice Plans, including eligible current and qualified former employees of participating entities and their eligible covered dependents. Qualified former employees include those who have retired or vested through an eligible State of Oklahoma retirement system, or who have completed the statutory required years of services, or who have other coverage rights through COBRA or the Oklahoma Personnel Act.

- 2.15 “MS-DRG” means Diagnosis Related Groups and is an inpatient Facility classification, as published by the CMS. The current version of the CMS MS-DRG grouper will be used to determine the MS-DRG.
- 2.16 “MS-DRG Allowable Fee” means the MS-DRG Relative Weight multiplied by the Base Rate for non-transfer cases. For the purposes of this Contract, the MS-DRG Allowable Fee, as published by OSEEGIB, shall serve as the payment rate due hereunder unless the reimbursement is to be on a per diem basis.
- 2.17 “MS-DRG Relative Weight” means the current version of the Relative Weight published by CMS for each MS-DRG.
- 2.18 “Network Provider” means a practitioner or Facility that is duly licensed under the laws of the state in which the Network Provider operates and/or is accredited by a nationally recognized accrediting organization approved by State or Federal guidelines, and have entered into an agreement with OSEEGIB to accept scheduled reimbursements for Covered Services and supplies provided to HealthChoice Members.
- 2.19 “Non-covered Services” are those services a) excluded from coverage by the HealthChoice Plan, in which case the Member is liable for the charges; or b) covered by the HealthChoice Plan but inappropriately billed and therefore excluded for reimbursement based on the clinical editing software.
- 2.20 “Outlier” means a discharge which has unique characteristics and is considered to be outside established parameters for each MS-DRG. A discharge is considered an Outlier if the billed charges exceed the sum of the Outlier Threshold plus the MS-DRG Allowable Fee.
- 2.21 “Outlier Allowable Fee” means $[Billed\ Charges - (MS-DRG\ Allowable\ Fee + Outlier\ Threshold)] \times Marginal\ Cost\ Factor$.
- 2.22 “Outlier Threshold” means a dollar amount by which the total billed charges on the claim must exceed the MS-DRG Allowable Fee in order to qualify for an additional Outlier amount.
- 2.23 “Outpatient Service(s)” means Medically Necessary Facility Services for treatment rendered by a Facility to a Member, including, but not limited to, Emergency room care, clinic care, ambulatory surgery, radiology, pathology and other services which are provided without the admission of the Member.
- 2.24 “Residential” means an approved treatment Facility which provides temporary accommodations. It is a structured, safe, and therapeutic environment in which residents receive psychotherapy appropriate to an individualized treatment plan.
- 2.25 “Skilled Nursing Facility” means an approved treatment Facility rendering services prescribed by a physician that could not be given safely or reasonably by a person who is not medically skilled and would need continuous supervision of

the effectiveness of the treatment and progress of the condition of the Member. These services are not custodial in nature.

- 2.26 “Transfer Allowable Fee” means (MS-DRG Allowable Fee/Geometric Mean Length of Stay) multiplied by (Length of Stay + 1 day).

VI. COMPENSATION AND BILLING

- 6.1 The Facility shall only seek payment from OSEEGIB for the provision of Covered Services. The Facility agrees to accept the amount of the Allowable Fee for Covered Services as payment in full and agrees to only request payment from the Member for deductible, co-insurance and amounts for defined Non-Covered Services attributable to the Member's Health Choice Plan. The payment shall be calculated and limited to the methodologies defined by this Contract.
- 6.2 When the Allowable Fee exceeds billed charges, OSEEGIB shall pay the appropriate percentage of the Allowable Fee and Member shall pay the appropriate percentage of billed charges unless the Member has met the stop loss limitation and then OSEEGIB shall pay the Allowable Fee and the Member has no liability.
- 6.3 When processing inpatient claims, OSEEGIB shall determine the MS-DRG Allowable Fee for non-transfer cases according to the following formula:

$\text{MS-DRG Allowable Fee} = \text{MS-DRG Relative Weight} \times \text{Base Rate}$

Skilled Nursing Facility Services, Day Treatment and Residential treatment will be reimbursed utilizing the per diem methodology. In no event shall a per diem qualify as an Outlier. These benefits shall be allowed when the Member has received Medically Necessary Covered Services subject to the following policy limitations and conditions:

- a) OSEEGIB shall pay the appropriate percentage of the MS-DRG Allowable Fee and the Member shall pay the remainder of the MS-DRG Allowable Fee unless the Member has met the stop loss limitation, and then OSEEGIB shall pay one hundred percent (100%) of the MS-DRG Allowable Fee and the Member has no liability.
- b) The MS-DRG shall be controlling, subject to OSEEGIB's approval and Article X of the Contract.
- c) The MS-DRG Allowable Fee does not include any physician professional component fees, which are considered for payment according to separately billed Current Procedural Terminology code Allowable Fees.
- d) OSEEGIB may reduce its payment by any deductibles, coinsurance and co-payments owed by the Member.

- e) OSEEGIB shall include the day of admission but not the day of discharge when computing the number of facility days provided to a Member. Observation Facility confinements for which a room and board charge is incurred shall be paid based on inpatient benefits.
- f) In the case of a transfer, the Transfer Allowable Fee for the transferring Facility shall be calculated as follows:

$$\text{Transfer Allowable Fee} = (\text{MS-DRG Allowable Fee} / \text{Geometric Mean Length of Stay}) \times (\text{Length of Stay} + 1 \text{ day})$$

The total Transfer Allowable Fee paid to the transferring Facility shall be capped at the amount of the MS-DRG Allowable Fee for a non-transfer case. OSEEGIB shall allow payment to the receiving Facility, if it is also the final discharging Facility, at the MS-DRG Allowable Fee as if it were an original admission.

- g) OSEEGIB shall use the current version of the CMS MS-DRG grouper to categorize what shall constitute a procedure. OSEEGIB's and the Member's financial liability shall be limited to the Allowable Fee as determined by OSEEGIB.
- h) The Facility agrees not to charge more for Medical Services to Members than the amount normally charged by the Facility to other patients for similar services.
- i) For Outlier cases, OSEEGIB shall base its payment to the Facility using an Outlier Allowable Fee plus the MS-DRG Allowable Fee. The following formula shall be utilized to calculate the Outlier Allowable Fee:

$$\text{Outlier Allowable Fee} = [\text{Billed Charges} - (\text{MS-DRG Allowable Fee} + \text{Outlier Threshold})] \times \text{Marginal Cost Factor}$$

6.4 When processing Outpatient claims, OSEEGIB agrees to pay the Facility the Allowable Fee based on appropriate billing according to the following:

- a) If a procedure does not have an Allowable Fee, OSEEGIB will allow a percentage of the billed charges for Covered Services.
- b) OSEEGIB shall pay the appropriate percentage of the Allowable Fee and the Member shall pay the remainder based on the Member's plan of benefits unless the Member has met the stop loss limitation, and then

OSEEGIB shall pay 100% of the Allowable Fee and the Member has no liability.

- c) OSEEGIB shall reduce its payment to the Facility by any deductibles, coinsurance and copayments owed by the Member.
- d) The Facility agrees not to charge more for Medical Services to Members than the amount normally charged by the Facility to other patients for similar services.
- e) The Facility agrees that OSEEGIB utilizes a comprehensive claims editing system to assist in determining which charges for Covered Services to allow for payment and to assist in determining inappropriate billing and coding. Said system shall rely on Medicare and other industry standards in the development of its mutually exclusive, incidental, rebundling, age conflict, gender conflict, cosmetic, experimental and procedure editing. OSEEGIB shall provide the Facility, upon request from Facility, detailed information about the processes employed in the claims editing system adopted by OSEEGIB.

A list of the CPT/HCPCS codes and the Allowable Fee for each can be found at the OSEEGIB website at www.sib.ok.gov/Providers. It is OSEEGIB's intent to review and update the fee schedule annually, in accordance with current methodologies. It is OSEEGIB's further intent to update the list as necessary when new CPT/HCPCS codes are identified by the American Medical Association or CMS.

- 6.5 A Facility's urban/rural status is determined by the county in which the Facility operates. Counties which are designated by the U.S. Census Bureau as a part of a Metropolitan Core Based Statistical Area (CBSA) are considered urban.
- 6.6 The Facility shall not charge the Member for Medical Services denied by the Certification or Concurrent Review procedures described in Article VII, unless the Facility has obtained a written waiver from that Member. Such a waiver shall be obtained only upon the denial of Medical Services and prior to the provision of those Medical Services. The waiver shall clearly state that the Member shall be responsible for payment of Medical Services denied by OSEEGIB.
- 6.7 The Facility shall not collect amounts in excess of the HealthChoice Plan limits unless the Member has exceeded his/her annual or lifetime maximum.
- 6.8 The Facility shall refund to the Member within thirty (30) days of discovery any overpayment made by the Member.

- 6.9 In a case in which OSEEGIB is primary under applicable coordination of benefit rules, OSEEGIB shall pay the amounts due under this Contract. In a case in which OSEEGIB is other than primary under the OSEEGIB coordination of benefit rules, OSEEGIB shall pay the Member's liability for out of pocket expenses such as deductibles, copayments or coinsurance, under the primary policy, up to OSEEGIB's maximum liability under the terms of this Contract. No payment will be made for any change that is not an allowed expense or an amount for which the Member is contractually held harmless under any coordinating policy.
- 6.10 The Facility shall bill OSEEGIB on standard and customary forms acceptable to OSEEGIB within 120 days of providing the Facility Services, or receipt of primary payors explanation of benefits, or from discovery that OSEEGIB is responsible for payment. The Facility shall use the current CPT/HCPCS codes with appropriate modifiers and ICD diagnostic codes, when applicable. The Facility shall furnish, upon request at no cost, all appropriate medical and billing records, reasonably required by OSEEGIB to verify and substantiate the provision of Medical Services and the charges for such services if the Member and the Facility are requesting reimbursement through OSEEGIB. This provision shall not apply in cases involving litigation, multiple payers, or where the patient has failed to notify the Facility that they were a Member.
- 6.11 In accordance with 74 O.S. (2007) § 1328, OSEEGIB shall reimburse the Facility within forty-five (45) days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. OSEEGIB will not be responsible for the delay of reimbursement due to circumstances beyond OSEEGIB's control.
- 6.12 The Facility agrees that OSEEGIB's subrogation rights or the existence of third party liability does not affect the Facility's agreement to accept the current Allowable Fee described in the Contract. Unrecorded alleged or recorded liens that are intended to secure charges for treatment rendered to or on behalf of a Member for amounts in excess of the Allowable Fee and/or which exceed the Member's deductible and coinsurance liability as required by the Contract, are rendered invalid by the Facility's submission of a Members' claims to OSEEGIB.

VII. UTILIZATION REVIEW
