- 3.1 The Insurance Board has negotiated and entered into this Contract with the Home Health Care Agency on behalf of the individuals who are members of the State and Education Employees Health Insurance Plan. The Home Health Care Agency is an independent contractor who has entered into this Contract to become a Network Provider and is not, nor is intended to be, the employee, agent or other legal representative of the Insurance Board in the performance of the provisions of this Contract. Nothing in this Contract shall be construed or be deemed to create a relationship contrary to that of independent contractor for the purposes of this Contract.
- 3.2 The Insurance Board and the Home Health Care Agency agree that all of the parties hereto shall respect and observe the provider/patient relationship that will be established and maintained by the Home Health Care Agency. The Home Health Care Agency may choose not to establish a provider/patient relationship if the Home Health Care Agency would have otherwise made the decision not to establish a provider/patient relationship had the patient not been a member. The Home Health Care Agency reserves the right to refuse to furnish services to a member in the same manner as he would any other patient.
- 3.3 Nothing in this Contract is intended to be construed, or be deemed to create any rights or remedies in any third party, including but not limited to, a member or a Network Provider other than the Provider named in this Contract.

### **IV. HOME HEALTH CARE AGENCY SERVICES AND RESPONSIBILITIES**

- 4.1 The Home Health Care Agency agrees to provide quality home health care services in a cost efficient manner.

Failure of the Home Health Care Agency to use Network Providers will result in a review pursuant to the credentialing plan.
- 4.4 The Home Health Care Agency shall participate in the prior authorization procedures provided in Article VII and for purposes of reimbursement to abide by decisions resulting from those reviews subject to rights of reconsideration, review and appeal.
- 4.5 The Home Health Care Agency shall provide patient progress update reports to the Insurance Board by phone, mail, or fax. This may result in a modification of the approved length of services.

- 4.6 The Home Health Care Agency shall accurately complete the Network Home Health Care Agency Application that is attached to and made part of this Contract. The Home Health Care Agency shall notify the Insurance Board's Network Manager of any change in the information contained in the Application within 15 days of such change, including resolved litigation listed as "pending" on the original Application.

- 5.8 The Insurance Board shall maintain a prior authorization program in order to aid its members in making decisions that will maximize medical benefits and reduce their financial risk.

## **VI. COMPENSATION AND BILLING**

- 6.1 The Home Health Care Agency shall seek payment only from the Insurance Board for the provision of home health care services except as provided in paragraphs 6.3, 6.4, and 6.10. The payment from the State and Education Employees Health Insurance Plan shall be limited to the amounts referred to in paragraph 6.2.

- 6.2 The Insurance Board agrees to pay the Home Health Care Agency's designated per diem value or billed charges for each procedure or the fee set by the Insurance Board for that procedure, whichever is less.
- a) The Insurance Board may reduce the payment by any deductibles, coinsurance and copayments.
  - b) The Insurance Board shall have the right to categorize what shall constitute a procedure. The Insurance Board and the member's financial liability shall be limited to the procedures allowable as determined by the Insurance Board, paid by applying appropriate coding methodology, whether the Home Health Care Agency has billed appropriately or not. The per diem rates do not include any professional component fees which are considered for payment according to separately billed CPT codes.
  - c) The Home Health Care Agency agrees not to charge more for medical services to members than the amount normally charged (excluding Medicare) by the Home Health Care Agency to other patients for similar services. The Home Health Care Agency may, however, contract with other third party payors for services. The Home Health Care Agency's usual and customary charges may be requested by the Insurance Board and verified through an audit.
- 6.3 The Home Health Care Agency agrees that the only charges for which a member may be liable and be billed by the Home Health Care Agency shall be for medical services not covered by State and Education Employees Health Insurance Plan, or as provided in paragraphs 6.4 and 6.9. The Home Health Care Agency shall not waive any deductibles, copayments and coinsurance required by the Insurance Board, except during times of HELP/Wellness promotions, when the copayment/ coinsurance is waived by the Insurance Board.
- 6.4 The Home Health Care Agency shall not collect amounts in excess of the Plan limits unless the member has exceeded his/her annual or lifetime maximum.
- 6.5 The Home Health Care Agency shall refund within 30 days of discovery to the member any overpayments made by the member.
- 6.6 In a case in which the Insurance Board is primary under applicable coordination of benefit rules, the Insurance Board shall pay the amounts due under this Contract. In a case in which the Insurance Board is other than primary under the coordination of benefit rules, the Insurance Board shall pay only those amounts not payable from other sources pursuant to the applicable coordination of benefit rules, up to the Insurance Board's maximum liability under the terms of this Contract.
- 6.7 The Provider shall bill the Insurance Board on forms acceptable to the Insurance Board within 60 days of performing the home health care services. The Home Health Care Agency shall submit claims to the Insurance Board, accompanied with the following documentation:
- a) progress notes,
  - b) physician's signed treatment plan, and
  - c) an itemized statement.

- 6.8 The Home Health Care Agency shall use the current CPT codes with appropriate modifiers and ICD-9 diagnostic codes, when applicable. The Home Health Care Agency shall furnish, upon request at no cost, all information, including medical records, required by the Insurance Board to verify and substantiate the provision of medical services and the charges for such services if the member and the Provider are seeking reimbursement through the Insurance Board.
- 6.9 The Insurance Board shall reimburse the Home Health Care Agency within 30 days of receipt of billings that are accurate, complete and otherwise in accordance with Article VI of this Contract. The Insurance Board will not be responsible for delay of reimbursement due to circumstances beyond the Insurance Board's control.
- 6.10 The Home Health Care Agency shall not charge the member for medical services denied during prior authorization procedures described in Article VII, unless the Home Health Care Agency has obtained a written waiver from that member. Such a waiver shall be obtained only upon the denial of prior authorization and prior to the provision of those medical services. The waiver shall clearly state that the member shall be responsible for payment of medical services denied by the Insurance Board.
- 6.11 The Insurance Board shall have the right at all reasonable times and, to the extent permitted by law, to inspect and duplicate all medical and billing records relating to home health care services rendered covered members at no cost to the Insurance Board or the member.

## **VII. UTILIZATION REVIEW**

- 7.1 The Home Health Care Agency shall adhere to and cooperate with the Insurance Board's prior authorization procedures. These procedures do not guarantee a member's eligibility or that benefits are payable, but assure the Home Health Care Agency that the medical services to be provided are covered under the Plan. Failure to obtain prior authorization shall result in the Infusion Therapy Provider's reimbursement being penalized by 10% if medical necessity is confirmed retrospectively and, if not confirmed, there shall be no reimbursement.
- 7.2 The Insurance Board shall maintain review procedures and screening criteria that take into account professionally acceptable standards for quality home health care in the community. The Insurance Board or its designee shall consider all relevant information concerning the member before medical necessity is approved or denied.
- 7.3 The prior authorization requirements are intended to maximize insurance benefits assuring that services are provided to the member at the appropriate level of care. In no event is it intended that the prior authorization procedure interfere with the Home Health Care Agency's decision regarding the patient's care.

- 7.4 The Home Health Care Agency shall request prior authorization from the Insurance Board before providing home health care services. The Home Health Care Agency shall be prepared to give the following information:
- a) patient's name
  - b) member's name
  - c) member's social security number
  - d) patient's age and sex
  - e) diagnosis and brief description of case
  - f) scheduled date services are to begin
  - g) patient status (i.e., employee, dependent)
  - h) treatment plan - to include physician's letter of medical necessity, signed physician's orders and estimated duration of service. The written plan must be submitted to the Insurance Board.
- 7.5 The Insurance Board shall not retrospectively deny any previously approved care. The Home Health Care Agency and/or its designee shall update the Insurance Board, or its designee, as the member's condition or diagnosis changes. Updated information may result in a change of the originally approved length of stay.
- 7.6 Upon the member's request, the Insurance Board shall reconsider any non-approved services. The Home Health Care Agency may submit a formal written appeal to the Insurance Board.

## **VIII. LIABILITY AND INSURANCE**

- 8.1 Neither party to this Contract, the Insurance Board nor the Home Health Care Agency, nor any agent, employee or other representative of a party, shall be liable to third parties for any negligent act by commission or omission of the other party in performance of this Contract and the terms and provisions herein.
- 8.2 The Home Health Care Agency shall be required to obtain general and medical liability coverages for the acts and omissions of the Home Health Care Agency and its employees and agents. Such coverage shall be maintained at a level of not less than that which is mandated by state statute or less than \$1,000,000 per incident, when the Home Health Care Agency is not regulated by statute. If coverage is lost or reduced below specified limits, this Contract may be canceled by the Insurance Board.

## **IX. MARKETING, ADVERTISING AND PUBLICITY**

- 9.1 The Insurance Board shall encourage its members to use the services of the Network Home Health Care Agency.
- 9.2 The Insurance Board shall have the right to use the name, office address, telephone number and specialty of the Home Health Care Agency for purposes of informing its members and prospective members of the identity of the Network Providers.

- 9.3 The Home Health Care Agency, upon prior approval of the Insurance Board, shall have the right to publicize the Provider status in the Insurance Board's Network of Home Health Care Agencies.

## **X. DISPUTE RESOLUTION**

Nothing in this Article shall interfere with either party's rights under Article XI.

## **XI. TERM AND TERMINATION**

- 11.1 The term of this Contract shall commence on the effective date on the signature page, and shall remain in effect until terminated by either party subject to 11.2.
- 11.2 Either party may terminate this Contract with or without cause, upon giving 30 day notice pursuant to 12.2.
- 11.3 Nothing in this Contract shall be construed to limit either party's remedies at law or in equity in the event of a material breach of this Contract.
- 11.4 This Contract shall terminate with respect to a Home Health Care Agency upon:
- a) the loss or suspension of the Home Health Care Agency's Medicare and/or JCAHO certification; or
  - b) failure to maintain Home Health Care Agency's professional liability insurance in accordance with this Contract.
- 11.5 Following the effective date of termination, this Contract shall be of no further force or effect, except that each party shall remain liable for any obligations or liabilities arising from activities carried on by it hereunder prior to the effective date of termination of this Contract.
- 11.6 Following termination of this Contract, the Insurance Board shall continue to have access to the Home Health Care Agency's records of care and services provided to members for five years from the date of provision of the services to which the records refer as set forth in Paragraph 6.10.
