

Thank you Nancy-Indian Health Care Resource Center...

This stuff is awesome!!!

I want to thank you for the fantastic workshop.

My staff had a terrific time.

They are still talking about it :)

At our last staff meeting, we shared the materials and some of the activities with the staff that was not able to attend.

We have bar coded the boxes and curriculum stuff and located them in a central spot (library) so everyone has easy access.

Thank you again so much!!!!!!!!!!!!!!
