Prevalence of Diabetes (%)	10.0	7.6	4.7	8.2	7.0	11.0

In 2000, Oklahoma voters overwhelmingly chose to create TSET (Tobacco Settlement Endowment Trust), a constitutional health endowment. Oklahoma's forward-looking choice enables strategic programmatic investments in healthy communities, statewide organizations, and life-saving research. The TSET endowment extends the opportunity for all Oklahomans to have better lives through better health – for generations to come.
