About the Guide

Performing Arts Experience Grants for Alternative Education

The Oklahoma Arts Council is thrilled to return [Performing Arts Experience Grants for Alternative Education](#) for the 2023-24 school year. Made available through the Oklahoma State Department of Education's federal coronavirus relief funds to address disruptions in learning experiences by students due to the pandemic, this grant program expands access to live performing arts for Oklahoma students. Through the program, alternative education school sites can present performing artists for an in-school concert and provide student field trips to live performances. The program can support opportunities in dance, drama, literary arts, media arts, and music.

To assist and inspire schools interested in benefiting from this grant program, the Oklahoma Arts Council is pleased to offer the Performing Arts Experience Guide. **This guide features, 1) members of the Oklahoma Performing Artist Roster who are available to travel and perform at alternative education school sites; and, 2) a calendar of artistic events in various disciplines scheduled to take place in locations throughout the state.** Please note this guide is not a comprehensive list of all performing arts opportunities available to your school, and events not listed on the calendar may also be eligible for funding through this grant. For questions about performing arts events not listed in the calendar and the eligibility of those events for funding through this grant, please contact Oklahoma Arts Council arts education staff, listed below.

The following pages include links to event websites for details and ticketing information. Performing Arts Experience Grants for Alternative Education can be used to cover the cost of ticket prices and travel expenses. Tickets for most performances will need to be purchased and reserved prior to the event. Inquiries about age-appropriate content should be directed to the organizations presenting the program.

Questions about the grant program may be directed to the arts education staff of the Oklahoma Arts Council, listed below. Our goal is to make Performing Arts Experience Grants for Alternative Education accessible to as many eligible schools as possible. We look forward to assisting you!
