

Documents enclosed:

Proof of identification, including the applicant’s age or date of birth and current residency information.

A list of all persons with control or decision-making authority at the aquaculture operation, including but not limited to, owners, operators, and managers.

A list of hauling units.

Copies of any permits directly related to the aquaculture operation issued by the Oklahoma Department of Environmental Quality (DEQ), (including a copy of any BMP submitted to the DEQ), the Oklahoma Water Resources Board, and the U. S. Army Corp of Engineers.

A map or aerial photograph showing the aquaculture operation, including the facilities and property lines and specifying the legal description of the property or Global Positioning System (GPS) coordinates.

A catastrophic aquatic species die-off disposal plan.

I, _____, agree to comply with Title 2 of the Oklahoma Statutes sections 6-311 through 6-317; the rules of the Oklahoma Department of Agriculture, Food, and Forestry (“ODAFF”), and all applicable laws and regulations of the Oklahoma Department of Wildlife Conservation. I do not have on hand and will not have at any time, fish, minnows, frogs, or other aquatic species except those legally obtained according to State of Oklahoma laws and rules of ODAFF and the Department Of Wildlife Conservation. In accordance with 2 O.S., § 6-313, all aquatic species shall be confined in such manner to prohibit wild species from becoming a part of the aquatic culture license holder’s operations. Aquatic culture license holders are prohibited from making use of species furnished free by the state or Federal Government.

I agree to allow ODAFF personnel to inspect my aquatic culture operation and aquatic species produced in the operation as provided in 2 O.S., § 6-314 (A). I will cooperate fully with the ODAFF inspector. If diseased species exist, ODAFF may require removal or treatment of such diseased species. Further, I agree to provide to ODAFF a true and complete annual summary of all aquatic species produced, marketed, and/or retained in the operation as required in 2 O.S., § 6-314 (C). The annual summary shall include, but not be limited to, the following information: species, quantities, average price per pound, and total sales.

Please check the box if appropriate:

I authorize the Oklahoma Department of Agriculture Food and Forestry to use my information for the annual aquaculture listings, In the event of an open records act request all information will be released.

Applicant’s Signature

Date

NOTE: All vehicles used to transport commercially propagated aquatic species shall be marked by decals bearing the inscription “**Aquatic Culture**”. The decals shall be purchased from ODAFF and placed on the center of each door and defaced in no manner.

Enclosed is \$10.00 for an Aquatic Culture License and \$ _____ for ___ decals @ \$3.00 each.

License and decals expire December 31st of each year.
