GROUNDBREAKING**
AUGUST 27, 2007

**WELCOME
TERRY PEACH
SECRETARY OF AGRICULTURE**

**GUEST SPEAKER
THE HONORABLE JARI ASKINS,
LIEUTENANT GOVERNOR**

**DR. MIKE TALKINGTON
DIRECTOR, LABORATORY SERVICES**

This ceremony is especially significant in that this new state-of-the-art laboratory is being built during Oklahoma's centennial year. The 21st century promises to bring new challenges to our industry and society and we know this new facility will help safeguard our state's agriculture industry as well as the health of our citizens. The new \$11.3 million dollar facility will have over 37,000 square feet of space.
