(1) Applicants having obtained the first CIDA professional accredited degree in interior design or its equivalent shall have 2 years of acceptable training and experience hours. One year shall equal 1760 hours of training and experience. One hour of full time work will equal one (1) hour of credit.

(2) Applicants may earn one (1) year of training and experience hours after completing 96 semester passing credit hours toward the first professional degree in interior design.

(3) On January 1, 2007, all individuals beginning their training and experience shall obtain credits after all educational requirements have been met for those individuals with equivalent education equating to the first accredited professional degree in interior design.

If the Interior Designer is not registered or licensed in a jurisdiction, then all work shall be under the Direct Supervision of an NCIDQ certificate holder.

(9) Training and experience hours shall be submitted on the Board’s forms or equivalent. It is the responsibility of the Applicant to obtain all required signatures. All Board forms are to be returned directly to the Board office by the employer, as they are confidential records.

(f) Grandfather requirements. Any Applicant who submits a properly completed and acceptable application for Registration and pays all applicable fees between July 1, 2007

The Applicant may use any combination of education, training and experience as acceptable and determined by the Board to equate to the fifteen (15) years experience. Thirty (30) passing education hours equals one (1) education credit year used toward obtaining the first accredited professional degree in interior design or an equivalent degree as determined by the Board or may equal two (2) years of diversified and appropriate experience when calculating the required fifteen (15) years experience. Additionally, the Applicant obtaining a second accredited professional degree in interior design or an equivalent degree as determined by the Board may use this education in addition to other education or training.

(g) Exemption from Registration. In order to be eligible to use the term Interior Designer, the Architect shall obtain Registration, but shall be exempt from education, training and testing requirements for Interior Designers through June 30, 2009.
