

To all Architects, Landscape Architects and Commercial Interior Designers:

House Bill 1804, became law in November, 2007, requires that all applicants for an original license must provide proof of lawful presence in the United States prior to receiving a professional license. Therefore, you are required by law to complete and have notarized the attached affidavit, and to provide supporting documentation from list A or B & C to this office. U.S. Citizens providing a notarized affidavit and appropriate documentation will only be required to submit this documentation once; legal residents of foreign nationality will be required to submit documentation each time their visa expires. A notary is available in this office Monday – Friday from 8:30am - 4:30pm.

The original notarized affidavit and **photocopy** of your documentation must be submitted with your online application.

Your license application will not be processed until these documents are received. If you have any questions, please contact the Board office.

Sincerely,

The Board of Governors of the Licensed Architects,
Landscape Architects and Registered Commercial Interior Designers of Oklahoma
