STATE OF OKLAHOMA
DEPARTMENT OF CENTRAL SERVICES

Dear Consultants and Construction Managers,

The Oklahoma Department of Central Services, Construction and Properties Division, is conducting an educational session for all Consultants and Construction Managers interested in, or having current, projects with Construction & Properties. This educational session will review progress made on implementation of Best Value by Construction and Properties.

**Best Value Processes – DCS Progress
for Consultants and Construction Managers**

Thursday, December 3, 2009, 1:00 to 3:00 p.m.

In the Concourse Theatre

(See below for directions)

The session will include:

1. Construction and Properties Best Value Process
2. Best Value Progress of the State
3. Best Value Case Study: OSSM Residence Hall
4. Q&A Session
5. Risk Management and Weekly Reporting

The Department of Central Services continues to improve programs to develop the creation of an information environment that allows all vendors equal opportunity to perform efficient work and minimize impediments while delivering high quality and value added services.

Construction and Properties appreciates all consultants currently providing services to the State and would like to make sure that everyone is given the proper education and opportunities.

Please respond by email with your name, company name and phone number to pamela_patrum@dcs.state.ok.us by November 26th. Early registration is encouraged due to limited seating. Email confirmation will be sent for registration and "wait list".

The Concourse Theater is located in the tunnel between the Will Rogers and Sequoyah Buildings north of the State Capitol.

Parking is available at the History Center parking lot (off 23rd Street on N. Laird Ave). **Access to the tunnel is located directly west of the History Center.** This will allow you to walk through the tunnel to the Concourse Theatre protected from the weather and traffic. Simply follow the tunnel towards the Will Rogers Building. **SEE YOU THERE!!**
