Contractor Educational Session

“Performance Information Procurement System”

Friday, March 5, 2010

9:30 to 11:30 a.m.

In the Concourse Theatre

(See below for directions)

The session will educate participants on the following topics:

- Overview of PIPS for construction bidding and contracting
- Opportunities for pre-planning, risk minimization and achieving performance measures
- Collection of past performance information
- Creating Risk Assessment/Value Added Plans
- Risk Management and Weekly Reporting

The Department of Central Services continues to improve programs to accomplish the creation of an information environment that allows all vendors an equal opportunity to perform efficient work and minimize the amount of conflict while delivering high quality and value added services.

Please respond by email with your name, company name and phone number by March 4th to Maureen.Banta@dcs.state.ok.us

Early registration is encouraged due to limited seating. Email confirmation will be sent for registration and “wait list”. If there is enough interest, we will have another session in the near future.

The Concourse Theater is located in the tunnel between the Will Rogers and Sequoyah Buildings north of the Capital.

Parking is available at the **History Center parking lot** (off 23rd Street on N. Laird Ave). **Access to the tunnel is located directly west of the History Center.** This will allow you to walk through the tunnel to the Concourse Theatre protected from the weather and traffic. Simply follow the tunnel towards the Will Rogers Building. **SEE YOU THERE!!**
