STATE OF OKLAHOMA  
DEPARTMENT OF CENTRAL SERVICES

The Oklahoma Department of Central Services, Construction and Properties Division, is conducting an educational session for state agencies interested in participating in advanced contracting procedures designed to attract and retain high performance construction vendors.

## **Educational Session for Agencies**

### **“Performance Information Procurement System”**

**Thursday, March 4, 2010**

**9:00 to 11:00 a.m.**

**Will Rogers Building, First Floor, Suite 102–104 (DCS Bid Room)**

The session will educate participants on the following topics:

- Overview of PIPS
- Benefits and expectations
- Real world project examples and outcomes
- Evaluation and ranking the bids
- Risk Assessment/Value Added Plans
- Risk Management and Weekly Reporting
- General discussion, questions and answers

The Department of Central Services continues to improve programs to accomplish the creation of an information environment that allows all vendors an equal opportunity to perform efficient work and minimize the amount of conflict while delivering high quality and value added services.

**Please respond by email with your name, agency name and phone number by March 3<sup>rd</sup> to:**
