

Construction Manager List for Political Subdivisions and School Districts- Request by E-mail

SB558 was signed into law by Governor Henry on June 6, 2006. Effective July 1, 2006, political subdivisions and school districts are required to select Construction Managers from the list maintained by the Construction and Properties Division of the Department of Central Services. The firms registered with Construction and Properties have demonstrated basic qualifications to provide construction management services. However, the capabilities of the various firms will vary, and the selection process (solicitation, screening and interviews) should match an appropriate firm with the specific scope of work.

The following section is cited:

SECTION 1. AMENDATORY Section 1, Chapter 414, O.S.L. 2002 (61 O.S. Supp. 2005, Section 220), is amended to read as follows:

Section 220, B. A political subdivision or school district shall select a construction manager based on the professional qualifications and technical experience of the construction manager. Selection criteria shall include the experience of the candidate, past performance, and certification of the company or individuals within the company of their knowledge of recognized standards of construction, construction management and project management. ~~Recognition of the company~~ Only firms recognized as a qualified construction manager managers by the Construction and Properties Division of the Department of Central Services pursuant to Section 62 of Title 61 of the Oklahoma Statutes this title, may be considered in evaluating the qualifications of a prospective for selection as a construction manager by a political subdivision or school district.
