FORECLOSURE PROCEEDINGS AGAINST FIRST NATIONAL CENTER

OKLAHOMA CITY – The Department of Central Services is carefully monitoring the foreclosure proceedings against the First National Center. The Department of Central Services has oversight of the leases for the seven state agencies occupying 84,760 square feet in the First National Center. Agency customers should be assured that there will be no interruption in the services they receive from their state government. Should it become necessary, the Department of Central Services is prepared to take immediate action to protect the interests of the State of Oklahoma and ensure there is no interruption to the vital services the agencies provide to the citizens of the State of Oklahoma.
