Subject: Amusement Ride Gold Star Program

The Oklahoma Department of Labor (ODOL) Amusement Ride Gold Star program recognizes companies operating in Oklahoma that not only meet all safety laws in the state, but also go above and beyond what is required by law. Through their dedication to safety for their patrons and employees, these companies have achieved the goals and objectives of the Gold Star Program.

Companies awarded a Gold Star will have completed a comprehensive review for compliance with the Amusement Ride Safety Statutes 40 O.S. § 460, *et seq.*, Amusement Ride Safety Rules, Oklahoma Administrative Code (OAC) 380:55. Areas reviewed are: meeting registration and insurance requirements, payment history, a minimum of a three (3) years' operating in the State of Oklahoma, inspection history, incident rate, and compliance activity. The program honors those companies for their positive relationships with the ODOL and their desire to eliminate the possibility of injuries in their industry.

The Amusement Ride Gold Star program recipient will receive a certificate and flag along with their company being listed on the ODOL Amusement Ride web page showing their commitment to safety.

If you have any questions regarding the Gold Star program please contact the Oklahoma Department of Labor at 405-521-6100/1-888-269-5353 or odol.amusement@labor.ok.gov.
