

Oklahoma Incident Management Team

Incident Complexity and Resource Needs

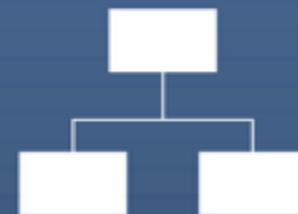

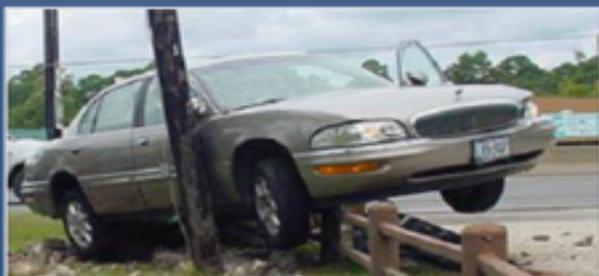

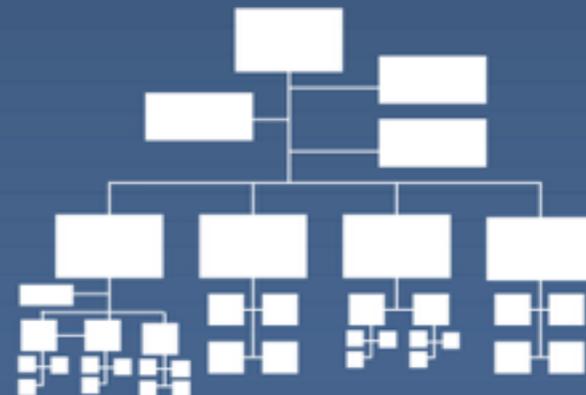

Incident Complexity

Resource Needs

ICS Structure

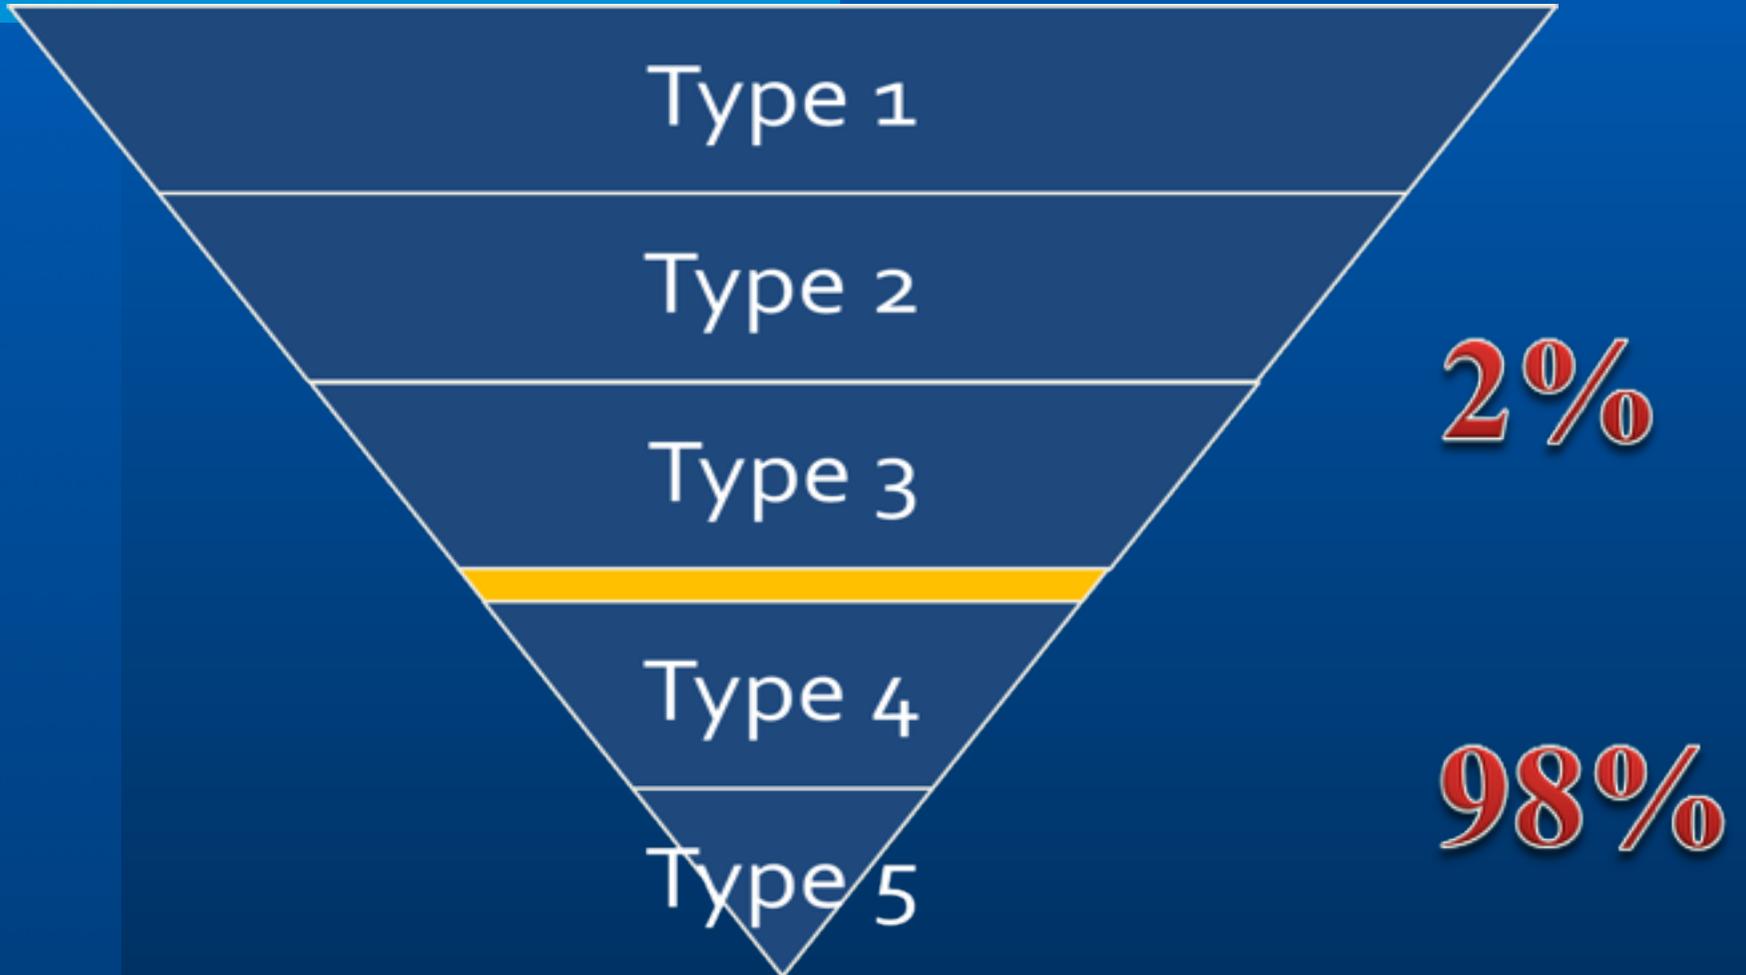

Complexity

Mission Statement

To provide a qualified Incident Management Team for the State of Oklahoma and its political subdivisions capable of supporting and assisting in the management of natural and manmade emergencies and disasters and acts of terrorism.

Incident Type

OK-IMT

- **Assist any jurisdiction confronted with an incident beyond its capabilities in either scope or duration.**
- **Provide robust management framework to support the jurisdiction in bringing an incident to conclusion**
- **Planning, documentation, and logistical support**
- **Public information and notification support**
- **Operational support and expertise**
- **Assistance in development of Site Safety Plans, etc.**
- **Assist in development of IAP**

IT'S ALL ABOUT SUPPORT

- Not deployed to “take over” the management of the incident from the local jurisdiction.
- The IMT’s role will ALWAYS be defined by the local Authority Having Jurisdiction (AHJ).
- May provide a support role for the local ICS structure.
- In the event the AHJ requests the IMT to manage the incident they will provide a Delegation of Authority to the IMT and if appropriate Unified Command will be utilized.

OK-IMT RULE #1

We DO NOT self-deploy and must be requested by the local AHJ.

OK-IMT RULE #2

WE WORK FOR YOU!

The OK- IMT is:

- A multi-agency/multi-jurisdiction team for extended incidents.
- Formed and managed at the State level.
- Deployed as a team of 12 to 24 qualified personnel to manage major and/or complex incidents.
- Designed to assist on large-scale incidents. Flood, tornado, multi-day hostage/standoff, terrorist incident, and other natural/manmade disasters.

Staffing

- **Broad cross section of jurisdictions and disciplines.**
- **Law enforcement, fire, EMS, public works, emergency management, public health, and others.**
- **Selection will be made through recommendation of the IMT Oversight Board based on NIMS-ICS knowledge, experience, and training.**

Training required to be a qualified OK-IMT member

- **Pre-requisite training requirements: NIMS-ICS 100, 200, 300, 400, 700, 800**
- **Once a candidate has attained membership on a team he/she will be required to complete the following training:**
 - **Command and General Staff Functions for Local IMT (40 hours) or ICS 0-305.**
 - **Position specific training (16 to 40 hours).**
 - **Annual continued education (16 hours per year).**

Position Task Book (PTB)

To become qualified each member must complete a PTB

- Member's performance is evaluated during an incident by the IC on skills and competencies.
- Evaluates the member's ability to effectively perform the duties of the position.
- Once PTB is complete it is reviewed by Oversight Board.
- If approved by Oversight Committee member is then credentialed as "qualified."

Current needs in order to maintain and develop OK-IMT

- Home agency
- Legislation creating a OK-IMT Program
- Operating and training budget
- Equipment cache and transport
- Office, conference room and training space
- Logistical and administrative support

Planned Events

Planned Events

- OU football games
- Fire schools
- Governor's Septemberfest
- Mumford & Son's Concert
- March 2012 POTUS visit

2012 OKLAHOMA WILDFIRES

1. Geary Fire
2. Oakwood Fire
3. Luther Fire
4. Eagle City Fire
5. Cooperton Fire
6. Creek County Fire
7. Slaughterville Fire

May 20th 2013

OK-IMT RESPONSE

May 20 Initial attack: 1500 to 0800 HRS

12 Hour Ops Periods: 0800 – 2000 HRS

21 May – 22 May

24 Hr Ops Periods: 0800 to 0800

23 – 25 May

POTUS Visit – 0800 to 2000 HRS on 26 May

Lessons Learned

Lessons Learned

1. Unified Command
2. Self-deployment
3. Staging
3. Need for other C & G staff functions
4. Complexity analysis
5. Multiple operational periods
6. Be flexible
7. Stay in your lane
8. Add important best practices to IAP and highlight during ops briefing

MOORE CP 26 MAY 2013
