

Licensee Data Extract (\$40.00)

The file can be downloaded after payment is confirmed and it will be in a CSV text file (comma separated value) which can be imported to a spreadsheet that must immediately be saved. The list of licensee's extract file consists of the following information:

- Name
- License type
- License number
- Status (active, inactive, suspended, [lapsed, surrendered, cancelled, revoked – for the past 5 years])
- Sponsoring broker (if applicable)
- Address
- License expiration date
- Email address

Some information may not be included if it was not given to the Commission. For further information contact ok.gov @ (405) 524-3468 or helpdesk@www.ok.gov

Examinee Data Extract (\$200.00 for 12 months or \$50.00 for three months)

There are two lists available for purchase:

- 1) All examinees for the week
- 2) Only examinees that have passed the exam

The lists can be downloaded after payment is confirmed and it will be in a CSV text file (comma separated value) which can be imported to a spreadsheet that must immediately be saved. The available information from either list is the following: Name, Address, Test Type and Email address.
