

Oklahoma Real Estate Commission Nonrefundable Fee Policy

No Fees Shall be Refunded

Fees are considered all inclusive of any and all services. When a fee is submitted to the Real Estate Commission for services to be provided and subsequently the individual requests the fee to be refunded, such request shall be denied in accordance with Title 59, O.S. Section 858-307.1 (A) which in part reads “all fees shall be promulgated by rule, payable in advance, and nonrefundable.”

The **only** exception to the non-refundable fee policy is if the Commission receives duplicate fees for the same service or if the Commission no longer provides such service. In that event a **written request** must be submitted to the Commission within thirty (30) days from the date of submission of the duplicate fee.
