WELCOME TO THE OFFICE OF MANAGEMENT AND ENTERPRISE SERVICES

Greetings!

You have joined an organization that has established an outstanding reputation for delivering quality services to the State of Oklahoma.

We provide communications, computer, accounting and budgeting services to governmental entities in a way that maximizes efficiency and safeguards taxpayer dollars.

Credit for our success as an organization goes to every one of our employees. We hope you, too, will find satisfaction and take pride in your work with us.

OMES is an equal opportunity employer. No one will be denied opportunities or benefits on the basis of political or religious opinions or affiliations, race, creed, gender, color or national origin or by reason of any physical handicap so long as the physical handicap does not render the employee unable to do the work for which he is employed. The hiring of special disabled veterans pursuant to Oklahoma state law shall not constitute favoritism as herein prohibited.

This employee guide provides answers to many of the questions you may have regarding your employment with OMES. Additionally, the guide provides you with information regarding the benefit programs offered to state employees, as well as agency guidelines and procedures. State law or administrative rule determines many of the guidelines and procedures affecting employment with the state and with the Office of Management and Enterprise Services. This guide is intended to supplement these provisions of law and rule, not to replace them.

From time to time, the information included in this Employment Guide may change. Every effort will be made to keep you informed through internal lines of communication.

Again, welcome to the Office of Management and Enterprise Services; working together we can make a difference.

Respectfully,

Preston L. Doerflinger

Director of Office of Management and Enterprise Services and Secretary of Finance, Administration and Information Technology

Deferred Compensation Plan (SoonerSave)

The Deferred Compensation Plan (known as SoonerSave or the 457 Plan) is available to qualifying employees. Under the provisions of this voluntary supplemental retirement plan, employees may defer payment of a portion of their income to a later date. The taxes normally due now on the money are deferred until retirement when most participants would be in a lower tax bracket. Employees may elect to invest the deferred income into a savings account at a guaranteed interest rate, or various mutual funds which are invested into stocks, bonds, foreign investments, money markets, or contracts. The State of Oklahoma also provides an employer contribution of $11.54 per bi-weekly pay period through the 401(a) Savings Incentive Plan. For more information, contact the Human Resources department.

Disability Insurance

Disability insurance is part of the mandatory core benefits package and is available to all employees that have completed at least one month of continuous service. Short/long term disability is provided to employees when off work more than 30 days due to a qualifying event. Any short-term disability benefits will be offset or reduced by other benefits or payments you receive, i.e. holiday pay, sick and annual leave, shared leave, etc. Disability coverage pays an amount equal to 60 percent of the employee’s base salary up to a maximum dollar amount. Disability benefits are subject to all applicable state & federal taxes.

Disability Handbook
Disability Retirement

Employees who must terminate employment due to health problems may qualify for disability retirement benefits. Employees who have eight years of creditable service toward retirement and an award letter from the Social Security Administration certifying them for disability benefits are eligible provided a) the date of disability established by the Social Security Administration falls within one year of the employee's last date physically on the job and b) the employee must have been an active regularly-scheduled employee with a participating employer at the time of disability.

Health Insurance upon Separation

The Consolidated Omnibus Reconciliation Act (COBRA) of 1985 is federal legislation that provides all employees and their dependents who are enrolled in the health or dental insurance program, the opportunity to temporarily continue such coverage in the event of the employee’s termination (except for gross misconduct), death, divorce or separation, or when an enrolled child no longer qualifies as an eligible dependent under that program.

Premium Conversion

By electing premium conversion, employees may pay for mandatory and optional coverage before taxes thus lowering their taxable income. All insurance coverage may be pre-taxed with the exception of dependent life insurance and a portion of the employee supplemental life insurance. Find additional information on page 8 of the enrollment guide.

Flexible Spending

Health care and dependent care accounts offer significant tax savings by allowing you to set aside money out of your paycheck before it is taxed to pay for planned expenses such as medical deductibles, and child care expenses. These accounts are optional and may be elected during annual option period. Account funds not spent during the designated plan year are forfeited. Find additional information on page 6 of the enrollment guide.

Oklahoma Public Employees Retirement System (OPERS)

For full and part-time employees, a retirement plan is provided for the purpose of providing lifetime benefits in recognition of service to the state. All eligible employees must participate in the plan. State employees contribute 3.5% and the agency contributes 16.5% of the employee’s salary towards retirement. The benefits under the plan are in addition to any supplemental benefits received from social security.
OPERS Forms

Members of the retirement plan may opt to “step-up” their benefit computation factor from 2.0% to 2.5%. This option is known as the “2.5% Step-Up” and is irrevocable and based on “full” years of credit.

**Performance Management Process**

To encourage positive performance and to help ensure your success in the agency, your supervisor will complete an annual evaluation of your performance. This evaluation will be completed as required by the Oklahoma Personnel Act and is called the Performance Management Process (PMP). At the beginning of an annual evaluation period, you and your supervisor will write five to nine “accountabilities” for your performance. A statement of accountability includes a job task plus a performance standard. Your performance on these accountabilities will be tracked and at the end of the evaluation period, your progress will be reviewed and rated.

In addition, you will be evaluated on your behavior in the following areas:

- Customer service
- Teamwork
- Problem solving initiative
- Observing work hours and using leave
- Leadership (if applicable)

Any change in name, address, telephone number, marital status or number of exemptions must be reported to Human Resources immediately to ensure proper credit for tax purposes. The W-2 form you receive each year indicates precisely how much of your earnings were deducted for these purposes.

WORK SCHEDULE
Your supervisor will set your work schedule. It is important to the mission of OMES that you work your scheduled hours.

Alternative Work Schedule Program
Employees participating in the voluntary Alternative Work Schedule Program have their choice of nine schedules: two with alternating Fridays off, two with alternating Mondays off, and five with one day off every week. Employees are not permitted to work through breaks or lunch periods (a minimum time of 30 minutes must be taken for lunch), or leave early or arrive late while participating in the program. The Alternative Work Schedule Request form must be submitted to your supervisor for approval.

Employees who are on the 9-80 AWS it is very important that you enter your hours as indicated on the schedule you are working, especially on your working AWS day and holidays, or your paycheck may be affected. If you work on your scheduled day off, you must also split your hours using the same method as you do on your scheduled work day. For example, if you work 2 hours before noon and 3 hours after noon on your day off, you will enter 2 REGSP and 3 REGHR.

Please do not change your work schedule until you have contacted Payroll and receive a date to change your schedule, or your check may also be adversely affected, or you may not receive comp time/overtime properly.

If you have questions, please feel free to e-mail Payroll.Service@omes.ok.gov.

The FLSA does not require an employer to provide meal periods or rest breaks for their employees.

While there are no laws that require rest breaks, breaks may be established and changed at the discretion of the supervisor. Typically employees are allowed two (2) paid fifteen (15) minute rest breaks each day. Rest breaks must be coordinated with your supervisor dependent upon work load and departmental needs. You cannot
accumulate break time to leave early, arrive late, or to extend your lunch period. Employees are not compensated for breaks not taken.

**Fair Labor Standards Act (FLSA)**

**Telework**

OMES considers telework to be a viable alternative work arrangement in cases where individual, job and supervisor characteristics are best suited to such an arrangement. Telework allows an employee to work outside of the traditional on-site work environment for all or part of the regular workweek. Telework may be appropriate for some employees and some positions; however, telework is not an entitlement, is not an agency-wide benefit and may be discontinued at any time at the sole discretion of OMES.

**Timekeeping**

By law, the OMES is required to keep accurate records of the actual hours worked by employees. OMES process employee paychecks biweekly according to hours worked or leave reported (positive pay) by the employee and approved by the supervisor. It is imperative that each OMES employee enters his/her time no later than the close of business every Monday unless an earlier deadline is established (see Holiday below). Employees shall notify their supervisors immediately if they make changes to their timesheet after the supervisor’s approval so the timesheet can be reapproved. Failure to notify your supervisor of hours needing to be reapproved may result in the employee receiving a **partial paycheck**.

Payroll may, but is not required to, notify an employee and/or their supervisor regarding missing hours before payroll processing begins. Payroll will not change or approve the timesheets of employees without the supervisor’s knowledge or consent and will refer requests to do so back to the supervisor.

In addition, supervisors hold the responsibility to review and approve time weekly no later than noon each Tuesday unless an earlier deadline is established (see Holiday below). Supervisors shall enter and approve hours for employees who are out of the office. Failure to do so may result in **delay of pay** to the employee.

Path to approve time:
Main Menu > Manager Self Service > Time Management > Report Time > Timesheet

When a supervisor is absent, their supervisor has the ability and responsibility to approve the time of the employees that report to the absent supervisor.

[Time and Labor Manager Self Service](#)
Supervisors shall ensure the appropriate type of leave is entered for employees out on FMLA and inform Payroll Services to change the hours to reflect FMLA.

**Holidays**

a) Holidays affect the timeframe OMES has to process the payroll.

b) Payroll shall make every attempt to notify employees of changes to the deadlines prior to the end of the affected pay period.

**LEAVE AND ATTENDANCE**

Accrual and use of leave are governed by these policies and procedures, Merit Rules, and applicable statutes. Employees are responsible for complying fully with the requirements; failure to comply may result in disciplinary action.

Classified and Unclassified employees are subject to Merit Rules for Employment concerning leave. Merit Rule application regarding leave does not create a classified position or change the nature of an employee’s at-will employment.

Employees will devote full time, attention, and effort to the duties and responsibilities of their position during assigned hours of duty.

**ADMINISTRATIVE LEAVE DUE TO UNSAFE WORKING CONDITIONS**

[74 O.S. § 840-2.20A.A]

During their normal duty hours, employees on paid administrative leave due to unsafe working conditions are on stand-by or on-call status. Appointing Authorities may call employees to return to their normal duties or respond to the demands of the situation as necessary. [74:840-2.20A (A)]

An employee’s time on administrative leave under this Section shall not exceed 32 hours in any 12 month period. The Appointing Authority may assign work to the employee to be performed during administrative leave or may require the employee to remain available to meet with agency personnel. Administrative leave under this Section shall not be accrued or accumulated, and it shall not be charged to annual leave or sick leave.

[74 O.S. § 840-2.20A.C]

The rules in this part are applicable to all classified and unclassified employees of the state, including those on temporary and other limited term appointments.

The rules in this Part do not prevent agencies from approving leave as usual to employees who request time off in accordance with other Merit Rules governing leave, such as sick and annual leave. The rules in this Part do not apply to agencies or employees if a voluntary or involuntary leave without pay (furlough) is in effect.
