

How to View Proofpoint Blocked E-mails

Proofpoint

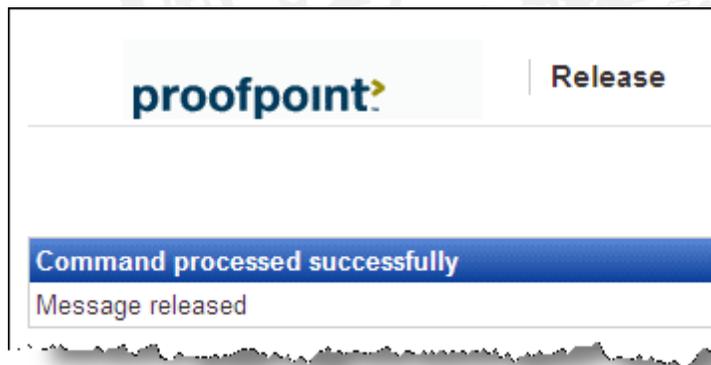

When an End User Digest e-mail is received, Proofpoint has blocked what it thinks is spam e-mail.

Double-left click the e-mail to open.

proofpoint-pps	09/05/2007	07:00 AM	130,384	End User Digest: 131 New Messages
----------------	------------	----------	---------	-----------------------------------

When an e-mail is found that may not be spam left-click "Release"

Release	Safelist	Not Spam	100	frsg4djctf@gala.net	80% Save Codeine, Valium, Xanax, At
Release	Safelist	Not Spam	100	augusta_blount_fa@bigfoot.com	Is long penis better? Otc
Release	Safelist	Not Spam	100	proofpoint-pps@ppg.osf.ok.gov	End User Digest: 22 New Messages
Release	Safelist	Not Spam	100	center623@tinet.net	Fish quality medications here.

An Internet window should open with the following message.

This will release the e-mail to the inbox.

proofpoint-pps	09/05/2007	09:20 AM	36,082	End User Digest: 22 New Messages
----------------	------------	----------	--------	----------------------------------
