Description of Amendment:

a. This is to incorporate the following:

Question # 9 Page 27 of 47 Section C.8.3.6 Cable/Conduit Trenching. Question. It States in paragraph 7 that "where ground-water of soft yeilding, or otherwise unsuitable material is encountered in the bottom of trench" How does Contractor get paid to import suitable materials for proper installation of conduits or cable?

* Replace answer provided on Amendment #1 dated 02 June 2011 with the following language to the answer:

A. This should have been anticipated in the original. However, if the contractor encountering this situation ater the original quote is provided, the contractor should contact the state before proceeding, and provide a new cost estimate to import the suitable materials. Work will not proceed until a new estimate is approved by the state.

b. All other terms and conditions remain unchanged.
