RFP #715-18-1003 – Commercial Real Estate Property Appraisal Services

Responses to Vendor Questions

November 7, 2017

Questions & Answers

1. What are the addresses of the properties to be appraised? We want to make sure we have no restrictions, conflicts or priors.

We do not have specific properties identified at this time. When a specific piece of property is being considered by TRS for acquisition, that property description will be provided to the successful bidder. It will be confidential and not a matter of public record for some time.
