Generational Quotes SLIDE 2

- The older generation thought nothing of getting up at five every morning - and the younger generation doesn't think much of it either. ~John J. Welsh
- Parents often talk about the younger generation as if they didn't have anything to do with it. ~Haim Ginott
- There is nothing wrong with today's teenager that twenty years won't cure. ~Author Unknown

What is a Generation? SLIDE 3

- A society-wide group, who collectively posses a common persona
- Generations are shaped by history and events, technological advances, social changes, economic conditions, popular culture, etc.
- They also perceive themselves to have things in common
- Generalizations, not stereotypes
 - Remember, individuals will differ within a generation
