Section 600.3. Furnishing of tobacco products to minors prohibited--Proof of age--Fines--Employee liability--Multiple violations--Municipal ordinances

A. It is unlawful for any person to sell, give or furnish in any manner any tobacco product or vapor product to another person who is under eighteen (18) years of age, or to purchase in any manner a tobacco product or vapor product on behalf of any such person. It shall not be unlawful for an employee under eighteen (18) years of age to handle tobacco products or vapor products when required in the performance of the employee's duties.

B. A person engaged in the sale or distribution of tobacco products or vapor products shall demand proof of age from a prospective purchaser or recipient if an ordinary person would conclude on the basis of appearance that the prospective purchaser may be under eighteen (18) years of age.

If an individual engaged in the sale or distribution of tobacco products or vapor products has demanded proof of age from a prospective purchaser or recipient who is not under eighteen (18) years of age, the failure to subsequently require proof of age shall not constitute a violation of this subsection.

C. 1. When a person violates subsection A or B of this section, the Alcoholic Beverage Laws Enforcement (ABLE) Commission shall impose an administrative fine of:

- a. not more than One Hundred Dollars (\$100.00) for the first offense,
- b. not more than Two Hundred Dollars (\$200.00) for the second offense within a two-year period following the first offense,
- c. not more than Three Hundred Dollars (\$300.00) for a third offense within a two-year period following the first offense. In, addition to any other penalty, the store's license to sell tobacco products or the store's sales tax permit for a store that is predominantly engaged in the sale of vapor products in which the sale of other products is merely incidental may be suspended for a period not exceeding thirty (30) days, or
- d. not more than Three Hundred Dollars (\$300.00), for a fourth or subsequent

offense within a two-year period following the first offense. In, addition to any other penalty, the store's license to sell tobacco products or the store's sales tax permit for a store that is predominantly engaged in the sale of vapor products in which the sale of other products is merely incidental may be suspended for a period not exceeding sixty (60) days.

2. When it has been determined that a penalty shall include a license or permit suspension, the ABLE Commission shall notify the Oklahoma Tax Commission, and the Tax Commission shall suspend the store's license to sell tobacco products or the store's sales tax permit for a store that is predominantly engaged in the sale of vapor products in which the sale of other products is merely incidental at the location where the offense occurred for the period of time prescribed by the ABLE Commission.

3. Proof that the defendant demanded, was shown, and reasonably relied upon proof of age shall be a defense to any action brought pursuant to this section. A person cited for violating this section shall be deemed to have reasonably relied upon proof of age, and such person shall not be found guilty of the violation if such person proves that:

a. the individual who purchased or received the tobacco product or vapor product presented a driver license or other government-issued photo identification purporting to establish that such individual was eighteen (18) years of age or older, or

b. the person cited for the violation confirmed the validity of the driver license or other governmental-issued photo identification presented by such individual by performing a transaction scan by means of a transaction scan device.

Provided, that this defense shall not relieve from liability any person cited for a violation of this section if the person failed to exercise reasonable diligence to determine whether the physical description and picture appearing on the driver license or other governmental-issued photo identification was that of the individual who presented it. The availability of the defense described in this subsection does not affect the availability of any other defense under any other provisions of law.

D. If the sale is made by an employee of the owner of a store at which tobacco products or vapor products are sold at retail, the employee shall be guilty of the violation and shall be subject to the fine. Each violation by any employee of an owner of a store licensed to sell tobacco products or permitted to sell vapor products shall be deemed a violation against the owner for purposes of a license suspension pursuant to subsection C of this section. Each violation by an employee of a store predominantly engaged in the sale of vapor products in which the sale of other products is merely incidental shall be deemed a violation against the owner for purposes of a sales tax permit suspension pursuant to the provisions of subsection C of this section. An owner of a store licensed to sell tobacco products or permitted to sell vapor products shall not be deemed in violation of the provisions of the Prevention of Youth Access to Tobacco Act for any acts constituting a violation by any person, when the violation occurs prior to actual employment of the person by the store owner or the violation occurs at a location other than the owner's retail store. For purposes of determining the liability of a person controlling franchises or business operations in multiple locations, for any violations of subsection A or B of this section, each individual franchise or business location shall be deemed a separate entity.

E. On or before December 15, 1997, the ABLE Commission shall adopt rules establishing a method of notification of storeowners when one of their employees has been determined to be in violation of this section by the ABLE Commission or convicted of a violation by a municipality.

F. 1. Upon failure of the employee to pay the administrative fine within ninety (90) days of

the day of the assessment of such fine, the ABLE Commission shall notify the Department of Public Safety and the Department shall suspend or not issue a driver license to the employee until proof of payment has been furnished to the Department of Public Safety.

2. Upon failure of a storeowner to pay the administrative fine within ninety (90) days of the assessment of the fine, the ABLE Commission shall notify the Tax Commission, and the Tax Commission shall suspend the store's license to sell tobacco products or the store's sales tax permit for a store that is predominantly engaged in the sale of vapor products in which the sale of other products is merely incidental until proof of payment has been furnished to the Oklahoma Tax Commission.

G. Cities and towns may enact and municipal police officers may enforce ordinances prohibiting and penalizing conduct under provisions of this section, but the provisions of municipal ordinances shall be the same as provided for in this section, and the penalty provisions under such ordinances shall not be more stringent than those of this section.

If the ABLE Commission fails to notify the licensee of a violation by an employee, that violation shall not apply against the licensee for the purpose of determining a license suspension pursuant to Section 600.3 of this title. For purposes of this subsection, notification shall be deemed given if the ABLE Commission mails, by mail with delivery confirmation, the notification to the address which is on file with the Oklahoma Tax Commission of the licensee or sales tax permit holder of the location at which the violation occurred and the ABLE Commission received delivery confirmation from the U.S. Postal Service.

H. The ABLE Commission shall prepare for submission annually to the Secretary of the United States Department of Health and Human Services, the report required by Section 1926 of the federal Public Health Service Act (42 U.S.C. 300-26), and otherwise shall be responsible for ensuring the state's compliance with that provision of federal law and any implementing of regulations promulgated by the United States Department of Health and Human Services.

600.11a. Municipalities to provide information to ABLE Commission

Any city or town that enacts and enforces ordinances prohibiting and penalizing conduct under provisions of Section 600.3, 600.4, 600.8 or 600.9 of this title shall furnish information requested by the ABLE Commission in the form, manner and time as may be determined by the ABLE Commission which will allow the ABLE Commission to comply with subsection C of Section 600.11 of this title.

For violations of the Prevention of Youth Access to Tobacco Act which occur in a municipality that has adopted ordinances prohibiting and penalizing conduct under provisions of the Prevention of Youth Access to Tobacco Act, thirty-five percent (35%) of each administrative fine imposed by the Alcoholic Beverage Laws Enforcement (ABLE) Commission pursuant to the Prevention of Youth Access to Tobacco Act shall be remitted to such municipality.

600.12. Certain other penalties authorized by law not excluded

Nothing in the Prevention of Youth Access to Tobacco Act shall be construed to prevent the imposition of any penalty as specified in Section 1241 of Title 21 of the Oklahoma Statutes.

600.13. Transfer of any material or device used in smoking, chewing or consumption of tobacco to minors prohibited—Administrative fine for violation

A. It is unlawful for any person to sell, give or furnish in any manner to another person who is under eighteen (18) years of age any material or device used in the smoking, chewing, or other method consumption of tobacco products or vapor products, including cigarette papers, pipes, holders of smoking material of all types, and other items designed primarily for the smoking or ingestion of tobacco products.
