XXVIII-3. Enactment of laws by Legislature—Indiscriminate sales to licensed wholesale distributors—Winemakers

A. The Legislature shall enact laws providing for the strict regulation, control, licensing, and taxation of the manufacture, sale, distribution, possession, and transportation of alcoholic beverages, consistent with the provisions of this Amendment. Provided, that any manufacturer, or subsidiary of any manufacturer, who markets his or her product solely through a subsidiary or subsidiaries, a distiller, rectifier, bottler, winemaker, brewer, or importer of alcoholic beverages, bottled or made in a foreign country, either within or without this state, shall be required to sell such brands or kinds of alcoholic beverages to every licensed wholesale distributor who desires to purchase the same, on the same price basis and without discrimination, and shall further be required to sell such beverages only to those distributors licensed as wholesale distributors. Winemakers either within or without this state shall be required to sell wine they produce to every licensed wholesaler distributor who desires to purchase the wine, but winemakers shall not be required to sell the wine they produce only to licensed wholesale distributors. Winemakers either within or without this state may sell wine produced at the winery to adult consumers who are at least twenty-one (21) years of age and are physically present on the premises of the winery or at a festival or trade show. Winemakers either within or without this state that annually produce no more than ten thousand (10,000) gallons of wine may sell and ship only the wine they produce directly to licensed retail package stores and restaurants in this state; provided, however, that any such winemaker which elects to directly sell its wine to package stores and restaurants shall not also use a licensed wholesale distributor as a means of distribution, and shall be required to sell its wines to every package store and restaurant licensee who desires to purchase the same, as supplies allow, on the same price basis and without discrimination. C. All laws passed by the Legislature under the authority of the Article shall be consistent with this provision. All provisions of this amendment are declared to be interdependent. If any provision of this amendment applicable to winemakers is ruled to be unconstitutional by a court of competent jurisdiction, then no winemaker shall be permitted to directly sell its wine to retail package stores or restaurants in this state.

Said premises are herein defined to be the entire space in which retail package alcoholic beverages are sold or displayed and said premises must be separated from any premises on which any other goods, wares, or merchandise are sold or services rendered by walls which may only be broken by a passageway to which the public is not admitted. Not more than one retail package license shall be issued to any person or general or limited partnership.

It shall be unlawful for any licensee to sell or furnish any alcoholic beverage to:

   (2) Two-thirds (2/3) of taxes attributable to sales by retail package stores shall be credited to the General Revenue Fund of the State of Oklahoma.

(b) The remaining three percent (3%) of taxes attributable to sales of alcoholic beverages by retail package stores; and up to (3%) of taxes attributable to sales of alcoholic
beverages by the individual drink for on-premises consumption, as shall be determined by

When any mixed beverage establishment, beer and wine establishment, or bottle club subject to the provisions of this section which has a license to sell alcoholic beverages for on-premises consumption or retail package store changes ownership or the operator thereof is changed and such change of ownership results in the same type of business being conducted on the premises, the provisions of this section shall not be a deterrent to the issuance of a license to the new owner or operator if he or she is otherwise qualified.
   B.  1.  Any interested party may protest the application for or granting of a license for retail package store, or for a mixed beverage establishment, beer and wine establishment,

Notwithstanding the foregoing, wholesalers shall not purchase any inventory in spirits or wine from any other wholesaler until such time that the purchasing wholesaler possesses an inventory valued at no less than Two Hundred Fifty Thousand Dollars ($250,000.00). Inventory valuation shall be based on the original actual price paid by the purchasing wholesaler to the nonresident seller for the inventory.

3. A wholesaler may sell spirits and wine to other wholesalers or purchase spirits and wines from other wholesalers without complying with paragraph 2 of this subsection in the case of the sale, purchase, or other transfer or acquisition of the entire business of a wholesaler, including the inventory of spirits and wine.

All purchase orders for these top eighteen brands must show an expected due delivery date. These purchase orders may only be canceled with prior approval of the Director of the ABLE Commission, unless a wholesaler shall have in its warehouse a fifteen-day supply of merchandise on such purchase order.

In order to allow the ABLE Commission to determine the top eighteen brands,
wholesalers must submit to the ABLE Commission every sixty (60) days a sworn affidavit listing their top twenty-five brands in sales for the previous sixty (60) days, excluding sales to wholesalers. Such affidavits shall be submitted in conjunction with the original price postings of wholesalers.

A fifteen-day supply of a particular brand for a particular wholesaler shall be based upon the market share of the wholesaler, determined by first multiplying the total number of liters of such brand sold by all wholesalers to all retailers during the previous calendar year by the percentage that the total sales of wine and spirits of the particular wholesaler, in liters, for such calendar year bears to the total sales of wine and spirits, in liters, reported by all wholesalers for such calendar year; and then dividing by twenty-four (24); provided, that a fifteen-day supply for a wholesaler who has not been in business for the entirety of the previous calendar year shall be deemed to be equal to that of the wholesaler who was in business for the entirety of the previous calendar year and who reported the lowest volume of sales of wine and spirits, in liters, of any wholesaler having been in business for such period.

The Legislature finds and declares that:

1. The state has substantial interest in exercising its powers and the powers granted to the states by the Twenty-first Amendment to the Constitution of the United States and in regulating the structure of the state’s alcoholic beverage industry including the activities of manufacturers, importers, wholesalers and retailers, the methods by which alcoholic beverages are marketed, and influences that affect the consumption levels of alcoholic beverages by the people of the state;

2. The state’s system of regulating the manufacture, distribution and sale of alcoholic beverages has served this state and its citizens will and has contributed to the economic growth and stability of the state;

3. Changes in market dynamics and advances in technology may have altered the way the alcoholic beverage industry operates, but have not changed the state’s desire for strict regulation of the manufacture, importation, distribution, marketing and sale of alcoholic beverages in accordance with Oklahoma State Constitution and laws and regulations enacted by the Legislature and the Oklahoma Alcoholic Beverage Laws Enforcement Commission. Such regulation advances the interest of the state in ensuring a competitive and orderly market in the distribution and sale of alcoholic beverages, promoting temperance in the use and consumption of alcoholic beverages, and facilitating the collection of excise taxes and fees. The purpose of the state’s regulatory system is to promote these interests by requiring economic separation between the tiers that contributes to a fair, open and competitive market resulting in the interbrand and other competition within each tier, and prevents disorderly market conditions, including but not limited to the domination of local markets and the undue influence of one tier over another. This purpose is through any direct or indirect ownership interest, or any other financial or business obligation;

4. The state maintains an interest in the promotion of temperance as a paramount public health, safety and welfare concern. The Legislature further reaffirms that temperance is achieved, consistent with structural regulation that promotes a competitive and orderly market, by controlled access to, and responsible use and consumption of, alcoholic beverages by persons of legal drinking age; and

The granting of conditional certificates shall not relieve the applicant of the duty of obtaining the certificates required by paragraphs 2 and 3 of subsection B of this section after completion of the construction, modification, or alteration.

E. A municipality or county shall issue the certificates required by paragraphs 2 and 3 of subsection B of this section within ten (10) days after all final inspections are completed.

No licensee shall be held liable for engaging in business otherwise authorized under this title with any other retailer, mixed beverage, beer and wine, caterer, public event or special event licensee, bottle club, manufacturer, wholesaler or class B wholesaler solely because such other part has failed to pay any occupational tax due under this section.

Every manufacturer, importer, broker or other who sells alcoholic beverages to a wholesaler, or Class B wholesaler in Oklahoma, after having been issued a license by the Alcoholic Beverage Laws Enforcement Commission, shall, before manufacturing, purchasing, or selling any alcoholic beverage within this state, file with the Oklahoma Tax Commission a bond issued by a surety company authorized to transact business in this state, in such amount as the Oklahoma Tax Commission may fix, but which shall be at least equal to the estimated amount of the tax liability of such licensee for a three-month period, to secure the payment of all excise taxes due from sales of alcoholic beverages to a wholesaler, or Class B wholesaler, under the provisions of the Oklahoma Alcoholic Beverage Control Act. 37-577. Mixed beverage tax permit

A. Every holder of a mixed beverage, if not catered, beer and wine, caterer, hotel beverage, public event, if not catered, or special event license, issued by the Alcoholic Beverage Laws Enforcement Commission, shall obtain a mixed beverage tax permit from the Oklahoma Tax Commission prior to engaging, within this state, in the sale, preparation or service of mixed beverages, ice, or nonalcoholic beverages that are sold, prepared or served to be mixed with alcoholic beverages. Each licensee shall file a verified application for a mixed beverage tax permit with the Tax Commission, setting forth information as may be required by the Tax Commission.

The Tax Commission, or its designated agent, shall issue, without any fees or charges therefor, a mixed beverage tax permit in the name of the licensee for the place of business set forth in the application upon verification that:

1. The applicant is a holder of a mixed beverage, if not catered, beer and wine, caterer, hotel beverage, public event if not catered, or special event license issued by the Alcoholic Beverage Laws Enforcement Commission;
2. The applicant has posted a surety bond or other negotiable collateral to protect the proper payment of the gross receipts taxes;
3. The applicant is a holder of a sales tax permit for the place of business set forth in the application; and
4. The applicant is not delinquent in the payment of any gross receipts taxes or sales taxes.

A mixed beverage tax permit shall expire three (3) years after issuance; provided, if the holder thereof is also the holder of a sales tax permit, a mixed beverage tax permit shall be valid for three (3) years or until expiration of the sale tax permit, whichever is earlier, after which a renewal permit shall be valid for three (3) years.

B. A separate mixed beverage tax permit for each place of business to be operated must be obtained and no charge therefor shall be made by the Tax Commission. The Tax Commission shall grant and issue to each applicant a separate permit for each place of business in this state, upon proper application therefor and verification thereof by the Tax Commission.

C. A mixed beverage tax permit is not assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated in the permit.

D. It shall be unlawful for any person to engage in a business subject to the provisions of this section prior to the issuance of a mixed beverage tax permit. Any person who engages in a business subject to the provisions of this section without a mixed beverage
tax permit or permits, or after a permit has been suspended, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined not more than One Thousand Dollars ($1,000.00) or incarcerated for not more than sixty (60) days, or by both such fine and imprisonment.

E. Any person operating under a mixed beverage tax permit as provided in this section shall, upon discontinuance of business by sale or otherwise, return such permit to the Tax Commission for cancellation, together with payment of any unpaid or accrued taxes. Failure to surrender a mixed beverage tax permit and pay any and all accrued taxes will be sufficient cause for the Tax Commission to refuse to issue a mixed beverage tax permit subsequently to such person to engage in or transact any business in this state subject to the provisions of this section. Notwithstanding the provisions of subsection H of Section 1364 of Title 68 of the Oklahoma Statutes, the Tax Commission shall not deny a purchaser of a business subject to the provisions of this section a mixed beverage or sales tax permit because of outstanding tax liabilities of the sellers, provided the seller pays to the Tax Commission the estimated sales tax owned by the seller. Provided further, upon completion of an audit by the Tax Commission and determination of actual sales tax owed, the difference between the estimated sales tax paid and the actual sales tax owned shall be paid by the seller to the Tax Commission if taxes were underpaid or returned to the seller by the Tax Commission if taxes were overpaid.

F. Whenever a holder of a mixed beverage tax permit fails to comply with any provisions of any state alcoholic beverage laws or tax laws, the Tax Commission, after giving ten (10) days’ notice in writing of the time and place of hearing to show cause why this permit should not be revoked, may revoke or suspend the permit. A mixed beverage tax permit shall be renewed upon removal of cause or causes of revocation or suspension. Mixed beverage tax permits are conditioned upon the proper and timely payment of all taxes due and in the event a holder of a mixed beverage tax permit becomes delinquent in reporting or paying any tax due under the provisions of state tax law, any duly authorized agent of the Tax Commission may cancel the permit and it shall be renewed only upon the filing of proper reports and payment of all taxes due and application for renewal in accordance with subsection A of this section.

G. Upon revocation or suspension of the mixed beverage, beer and wine, caterer, hotel beverage, public event or special event license by the ABLE Commission, the Tax Commission, or its duly authorized agent, shall temporarily suspend the mixed beverage tax permit issued to the licensee in accordance with Section 212 of Title 68 of the Oklahoma Statutes.

37–578. Bond or other security as condition precedent to issuance of mixed beverage tax permit

Every holder of a mixed beverage, beer and wine, caterer, public event or special event license issued by the Alcoholic Beverage Laws Enforcement Commission, as a condition precedent to the issuance of a mixed beverage tax permit, shall furnish to the Oklahoma Tax Commission a bond from a surety company chartered or authorized to do business in this state, cash bond, certificates of deposits, certificates of savings or U.S. Treasury bond, or an assignment of negotiable stocks or bonds, as the Tax Commission may deem necessary to secure payment of the gross receipts tax levied upon gross receipts.
of the licensees.

B. Any surety bond furnished under this section shall be a continuing instrument and shall constitute a new and separate obligation in the sum stated therein for each calendar year or a portion thereof while such bond is in force. Such bond shall remain in effect until the surety or sureties are released and discharged by the Tax Commission.

C. The Tax Commission, or its duly authorized agent, shall fix the amount of such bond or other security for each licensee for each place of business after considering the estimated gross receipts tax liability of such licensee. Such bond shall be no less than an amount equal to the average estimated quarterly gross receipts tax liability and no greater than an amount equal to three times the amount of the average estimated quarterly gross receipts tax liability. Effective July 1, 2001, the minimum bond required for a new permit holder shall be not less than One Thousand Five Hundred Dollars ($1,500.00).

D. Notwithstanding the provisions of subsection C of this section, if the permit holder has held the permit for at least four (4) years and is not delinquent in the payment of mixed beverage taxes, the Tax Commission shall not require any increase in the bond so long as the permit holder remains current in the payment of such taxes.

E. Any bond or other security shall be such as will protect this state against failure of the taxpayer or licensee to pay the tax levied by Section 576 of this title. The forfeiture or cancellation of such bond or security, for any reason whatsoever, shall automatically revoke the mixed beverage tax permit issued pursuant to the provisions of the Oklahoma Alcoholic Beverage Control Act.

37–579. Monthly reports of receipts—Calculation of gross receipts tax—Delinquent taxes—Other reports—Failure to file report

for each month from the sale, preparation or service of mixed beverages, ice and nonalcoholic beverages mixed with alcoholic beverages, the total gross receipts of charges received for admission to mixed beverage establishments as provided in paragraph 6 of subsection A of this section, and the total retail value of complimentary or discounted mixed beverages. Gross receipts from the sale of food prepared with alcoholic beverages shall not be included in the calculation of the monthly tax liability. The tax due for the preceding month shall accompany the report required in subsection A of this section. All taxes, penalties and interest imposed by Section 501 et seq. of this title may be paid in the form of electronic funds transfer or by a personal or company check, cashier’s check, certified check or postal money order payable to the Tax Commission.

C. If the gross receipts tax levied pursuant to the provisions of Section 576 of this title is not paid on or before the twentieth day of each month, the tax shall be delinquent and interest and penalty shall accrue on and from the twenty-first day of each month, pursuant to the provisions of the Uniform Tax Procedure Code.

The Tax Commission may waive the penalty assessed pursuant to the provisions of the Uniform Tax Procedure Code; provided, however, the additional penalty, if assessed, shall not exceed an amount equal to twice the amount of tax due for the period for which such report was required to be filed, or the sum of Three Hundred Dollars ($300.00), whichever is greater.

F. Taxes paid as provided by law represented by accounts receivable which are found to be worthless or uncollectable may be credited upon subsequent reports and remittances of such tax, in accordance with rules promulgated by the Tax Commission. If such accounts are thereafter collected, the same shall be reported and the tax shall be paid upon the amount so collected.

G. In addition to any other authority granted by law, the Tax Commission is hereby authorized to audit any mixed beverage, beer and wine, caterer, public event or special event licensee to determine if the correct amount of tax payable under Section 576 of this title has been collected; provided, if such an audit reveals that the amount collected is within the following percentages of the amount of tax payable, the taxpayer shall be deemed to be in compliance:
