Qualifying Impairment:

- Visual Impairment or Blindness
- Physical Limitations
- Learning Disability

\_\_\_\_\_  
Signature of Competent Authority

\_\_\_\_\_  
Printed Name and Title

*The type of professional accepted as Competent Authority varies according to the source of materials as well as the type of impairment. Examples include a family doctor or other medical professional, ophthalmologist, optometrist, teacher of the visually impaired, special education teacher, physical therapist, resource specialist, learning disability specialist, and school psychologist or clinical psychologist with a background in learning disabilities. Please consult the source of materials (e.g., Bookshare, Learning Ally) for specific direction.*

*Student must have an Individualized Education Program (IEP) to qualify for National Instructional Materials Accessibility Standard (NIMAS) sourced materials. Other AIM services are available to students not on IEP and to students without a qualifying impairment. Contact ABLE Tech for information and assistance.*
