Welcome to Your GOALS Tool Dashboard

Whenever you log into the tool, this is the page you'll see. Begin by taking a moment to watch the getting started video. After that, you can add people to your team, create your first cycle, and get the ball rolling.

Feel comfortable with using the tool? You can view this video and others later in the "Help" area. [Close this notice »](#)

The screenshot shows the dashboard interface. At the top, there's a header with the title "Landing Page - Test w/ Captx Planning" and navigation links. Below that, a section titled "Planning and Implementation" contains a video player with a play button and a "Return to Dashboard" button. Underneath the video, there's a "CHART: Current Scores" section with options to "Show Past Performance" and "Show Spring 2016". A "Similar Institution Comparison" button is also visible. At the bottom, a "Benchmarks" table is shown with columns for "Future Score Avg", "Average", "Good", and "Excellent".
